BACKGROUND AND RATIONALE FOR THE SCHEME

The background and circumstances which justify the proposed Amalgamation Scheme are, inter-alia, as follows:-

The proposed Amalgamation will lead to a simplified corporate structure since it will result in the combined businesses of PHCPL and PML being carried on more economically, efficiently and beneficially and the arrangement would be in the interest of both the Companies and their shareholders as the businesses carried on by both the Companies are under common management/shareholders. The proposed amalgamation would strengthen the Management of PML effectively because of avoidance and elimination of unnecessary duplication of time, costs and expenses, incurred for administration and operations of both the Companies separately and would result in better utilization of resources and assets and synergies of operations with integration of management and other expertise. The proposed amalgamation will also lead to reduction in compliance requirement and reduction in the intermediate holding structure in accordance with Section 2(87) of Companies Act, 2013 thereby providing greater operation flexibility

in future. Further, even the creditors of PML will not be affected by the Scheme since PHCPL does not have any external liabilities, and post the amalgamation, the assets of the PML would continue to be more than its liabilities.

In view of the aforesaid, the Board of Directors of PHCPL and PML at their respective meetings held on August 7, 2019 have considered and approved unanimously, the Scheme of Amalgamation of PHCPL and PML subject to necessary statutory approvals. Accordingly, the Board of Directors of both the Companies have formulated this Scheme of Amalgamation for the transfer to and vesting of the undertakings and business of PHCPL into PML pursuant to the provisions of Sections 230 to 232 and other relevant provisions of the Companies Act, 2013 as applicable and in force.
