# Residential Portfolio: High Margin, Cash Flow Business

- Premium and upscale, large-scale residential developments
- Product design, quality and location in or around mixed-use destinations have established the project as a market leader
- **Expect substantial free cash flows from residential projects in the coming years:**
  - Cash flows from sold inventory sufficient to cover construction cost to complete project
  - Selling prices for the projects more than doubled in the last 5 years (CAGR of 18-20% over the last 5 years) while constructions costs have increased by only c5-10%
  - Residual inventory (both ready and under-construction) at current prices represents significantly higher profit margins
- **Bengaluru (One Bangalore West and Kessaku):** Execution at OBW Tower 6 is progressing well; Kessaku Towers (2 – Sora, Niwa) are also nearing completion; we are planning to launch OBW Tower 7 in the near future
