Mr. Ashok Ruia
1943-2019

Mr. Ashokkumar Ruia was a visionary leader, an entrepreneur and a philanthropist. He was also an individual with unconquerable will, endless optimism and unfailing kindness.

As a member of the Board for The Phoenix Mills Limited (PML) since 1963, Mr. Ruia had vast experience of managing corporate affairs. He was a visionary that shaped PML's transformation, and actively mentored the leadership team in various aspects of the Company's plans. Besides business, Mr. Ruia also had an active career in sports. He had the unique distinction of representing the country in two sports, Bridge and Golf, demonstrating an inimitable desire to excel in whatever he undertook.

He surrounded himself with strong people and ideas, leading them to succeed in all endeavours with untiring support. Today, Mr. Ruia's legacy continues to shine through PML, a company that he built and nurtured with an intense determination to establish a unique retail-led real estate development model. Taking PML to its ultimate glory will be the best way we can celebrate his spectacular journey.

Mr. Ashok Ruia's contribution has touched the lives of many, especially all of us in the PML family. It is hard to live up to his optimism, ambition, human touch, passion and so much else. His legacy is one that is rare, valuable, and ours to uphold. It is a legacy based on strong values and vision, and will continue to inspire us for our journey ahead.

The coming together of a symphony is simple yet intricate. Each individual instrumentalist — a skilled master in his or her own right — must know how to collaborate, and follow the same musical blueprint in harmony with a team of many other instrumentalists. With a clear idea of what the composer intended us to hear, a conductor needs to have a clear vision to set the tempo, and ensure every member of the orchestra is in sync to produce harmonious resonance that is consistent and accurate.

At The Phoenix Mills Limited, we endeavour to approach the next decade of our growth with the same practice, precision and congruity to perform our self-composed symphony immaculately.

Over the past five years, PML has transformed itself into a mixed-use real estate company, consistent in growth and performance.

Our vision for the next 10 years is clear. We aim to Consolidate our position as India's largest retail led mixed use developer.

With the strength of our experience on our side, we have the blueprint, leadership and skill-sets to perform our symphony with practice and precision.

Message from the Chairman &
Managing Director

From where we stand today, I feel privileged to be associated with an inspired team of people, for whom delivering consistently is now a way of life.

ATUL RUIA

Dear Shareholders,

To start, I would like to dedicate this year's report to a man that has been the most influential and important person in my life, and that of our company. We shall all greatly miss the guidance, wisdom and love that my father Mr. Ashok Ruia bestowed on us. It is with a heavy heart that I take on his responsibilities, and am fully committed to the future of the Phoenix Mills family.

This year, the theme of our annual report is based on our organisation's ability to perform with practice and precision. We compare the way we work to the execution of a complex symphony. Like a team of skilled musicians, led by an conductor to execute the vision of a composer, over the years, we too have the clear vision, the time-tested strategic blueprint, the experienced leadership teams and seasoned talent to ensure precision and success in our execution going forward.

The year under review was a year of exceptional performance, growth and success. From where we stand today, I feel privileged to be associated with an inspired team of people, for whom delivering consistently is now a way of life. Our management team and our dedicated employees are adding value to your Company every single day, while dealing adeptly with the complexities of market conditions and business challenges. In particular, we have responded well to managing multiple moving parts of an increasingly complex enterprise, and countered the challenges of slower than expected economic growth. Your Company's notable success, year after year, is a monument to our strong management skills, and the long-lasting bond we've established with the consumers of the cities we operate in.

Our Financial Performance

FY2019 was an excellent year for PML and was well in line with our strategies and expectations. In most part, our performance for the year was the outcome of the operational

excellence we exhibited. Our strategies for culling in efficiencies, no matter how small they might be, also contributed to the growth in our aggregate profitability. FY2019 has been the first full year of operations after we consolidated our stakes across our multiple assets through FY2018, and, not surprisingly, the benefits of bolstering our ownership across multiple assets can now be observed in our consolidated numbers.

By the end of FY2019, our operations recorded a consolidated revenue of ₹ 19,816 million, which grew by 22% YoY. Underlining our performance, our EBITDA landed a total of ₹ 9,931 million, which grew by a commendable 28% YoY. Our portfolio, that encompasses retail developments, commercial offices, residential development and hotels, witnessed sustained improvements in our operational performance across the board, leading to an exceptional 74% YoY jump in our Profit After Tax (PAT), to finally stand at ₹ 4,210 million. In all respects, FY2019 produced an excellent year's performance numbers, and sets the Company even stronger for the future.

Growing consumption trends within India's Urban Centres

Year after year, India's consumer market is steadily realizing its long-term promise. We saw this trend early on and planned for it with perfect timing. Years in the making, we relied on vision, conviction and smart capital, to develop our Phoenix MarketCity concept. Our irreplaceable assets are a true reflection of today's urban lifestyle, and we are advantageously placed within the urban consumption story of India. Every year, as the middle class widens and our shoppers become more prosperous, we are witnessing consistent growth in quality footfalls, and aggressive demand for space from leading global and domestic brands. We remain highly confident in our capabilities to continuously attract higher quality footfalls, catered to by relevant and admirable brands in the years to come.

Message from the Chairman & Managing Director

Acquiring Marquee Land parcels and Brownfield Projects

In line with our strategy to own and operate around 12 million square feet of retail assets by 2023, more than double than what we have today, FY2019 saw several strategic acquisitions taking place towards achieving this goal. During financial year under review, we successfully acquired 13 acres of land at Hebbal, Bengaluru. Hebbal is almost 19 km away from Phoenix MarketCity Bangalore, with strategic and easy access to key commercial and residential clusters. Here, we plan to build another retail-led mixed-use asset, featuring next-gen design concepts and innovation. Over the coming years, we will have two prized retail assets in Bengaluru, each catering to their respective micro-market catchments within this increasingly prosperous city.

We also bought out an under-construction mall in Lucknow, the capital city of India's most populous state - Uttar Pradesh. Spread over 13.5 acres of land, we expect to complete our construction works and commence fit-out during FY20.

Apart from these, PML has entered into a 50:50 Joint Venture with BSafal Group, to develop a luxury retail development 'Palladium' of 0.7 Million Sq. Ft.. The city of Ahmedabad is well known for its prosperity and affluent middle-class population base. We expect this luxury mall to fit in well as a highly differentiated offering to serve an un-tapped upmarket segment.

Segment Wise Business Performance of PML

I am pleased to inform you that we continue to show a good showing secularly across all our business segments. To begin with, we clocked up ` 68.87 billion in the retail consumption at all our malls for FY2019. This was an improvement of 9% compared to the previous year. Our rental income stood at ` 9,913 million, up strongly by 14% YoY.

During the year under review, our total top-line numbers also benefited from the completion of our marquee residential development 'Kessaku' in Bangalore. Overall, the residential portfolio contributed a revenue of ` 3,795 million.

Finally, our core portfolio, comprising of our retail developments, commercial offices and hotels, continued to deliver their robust performances through the year, and reported a combined top line of ` 16,020 million for the full year and a PAT of ` 3,222 million, which grew by 51% YoY. This outcome is a vivid testimony to our strong efforts on continuously improving the consumption density per square feet at each of our malls.

Phoenix MarketCity, Mumbai - Joining the Club of Stellar Performers

During FY2019, Phoenix MarketCity, Mumbai produced remarkable performance for a third year in a row. In FY2019, consumption at the mall rose by 17% to ` 9,599 million, with a CAGR growth of 17% over the last three years. Today, helped by the multiplier effect of thousands of people working within our large leased-out office spaces at Art Guild House adjacent to the mall, the outlook for Phoenix MarketCity Mumbai appears to be

quite promising. With great urban transport connectivity, and various re-generation activities taking shape in and around the Kurla area, we are witnessing steady improvements in the property's trading density, which approached nearly ` 1,200 per square foot in FY2019. The strong operational performance has also resulted in the solid 28% growth in the mall's EBITDA, to reach ` 1,188 million by the end of FY2019. As I had mentioned at the outset three years ago, Mumbai has continued to deliver on my expectations of healthy performance, year after year. Just as High Street Phoenix in Lower Parel has demonstrated over its long history, I expect Phoenix MarketCity Mumbai to be another true example of how a retail mixed-use iconic asset can be transformed into a destination centre within a city.

The St. Regis, Mumbai – The Best in Class

Our flagship hotel, The St. Regis, Mumbai is renowned for its unmatched Indian luxury and personalised service, creating extraordinary experiences and a contemporary ambiance for all its guests. It has accomplished a strong acceptance by affluent travellers from across the world, and has elevated Mumbai's luxury hospitality landscape to another level. During FY2019, The St. Regis, Mumbai witnessed another year of strong operating performance. The average occupancy at the hotel was 80% during the year with an Average Room Rate (ARR) of ` 12,154, up 4% YoY. This resulted in an increase of 9% YoY in total income to ` 3,042 million while the operating profit increased 15% YoY to ` 1,234 million. We have utilized the strong cash flows from the hotel to reduce overall debt by ` 1,720 million from ` 6,500 million to ` 4,780 million over a span of 30 months.

Going Forward

Today, PML stands as an undisputed retail-led property leader within India. Given the rising consumption story of India, we are strategically placed across key urban consumption centres for growth, and continue to maintain a strong balance sheet to expand our asset base. Our rich experience, goodwill with retailers and customers and ability to consistently generate strong free cash flows, has put us in a comfortable position to make our journey towards future targets. With each passing year, PML continues to become a stronger institution that is highly committed to deliver exceptional long-term value. We look forward to an exciting FY2020 with our readiness to make the most of the opportunities that the year has to offer.

On behalf of the management and the Board of Directors, I would like to take this moment to thank all our staff, shareholders, business partners, and associates for their unceasing support and commitment to your Company. Thank you for being a part of our on-going success story.

With Regards,

Atul Ruia

Chairman & Managing Director

Joint Managing Director's Message

This financial year, we comfortably achieved our set performance and growth targets, and have now reached an exciting point in our journey from where we enjoy a whole new level of operational scale, capital, speed and management bandwidth to grow from.

SHISHIR SHRIVASTAVA

Dear Shareholders,

FY2019 was a year of solid achievements for The Phoenix Mills Limited, as we expanded our business, amplified our profitability, and refined our key strategic initiatives that gear us towards doubling our asset base by FY2023. Most importantly, we comfortably achieved our performance and growth targets set for FY2019, distinguishing us from competition. We have now reached a momentous juncture in our journey, where we enjoy a whole new level of operational scale, capital speed and management bandwidth to grow from.

The Journey of Phoenix MarketCity

In early 2000's, we introduced India's first hyper market concept with the launch of Big Bazaar's first store in conjunction with Food Bazaar at the High Street Phoenix (HSP), Mumbai. As a case study, the performance of our first mixed-use property was thrilling and the concept was rapidly accepted and appreciated by consumers. This led to HSP gradually emerging as an ideal model in terms of retail-led development centres in India.

Inspired by the magnificent success of our first mixed-use asset, we went into the multi-city expansion of our realty portfolio under the 'Phoenix MarketCity' concept. Our Phoenix MarketCity concept is a product of long-term vision, and a deep appreciation of the potential of consumption in India.

Our strategy was to make our malls obvious destinations to experience a wide range of experiences. Today, our Phoenix MarketCity malls stand in a class of their own when it comes to strong architectural designs; vast

event spaces, which play host to the best events in the city; serene, secure ambiances for the public that are friendly, relaxing and inviting; unmatched F&B options for fine dining and fast food; parking capacities for all kind of vehicles; and finally in terms of being home to today's most sought after brands.

Our malls are consumption hubs and surrounding these consumption power-centres, we have built magnificent commercial, residential and hospitality spaces that create a mixed-use multiplier effect — now a hallmark feature of the Phoenix MarketCity concept. Today, the retail portion in our mixed-use portfolio exceeds 5.9 Million Sq. Ft., and is spread across Mumbai, Chennai, Pune, Bangalore, Lucknow and Bareilly. We further have operational commercial space of 1.80 Million Sq. Ft. complementing the retail centers in Mumbai and we are adding to the commercial office space with new office projects (>4.2 Million Sq. Ft. in leasable area) in various stages of planning and development.

As of FY2019, consumption at our operating malls stood at ₹ 68.90 billion (reaching almost US\$1 billion), marking a YoY increase of 9%. I would also like to mention that, during FY2019, all our Phoenix MarketCity malls have shown healthy progress and are poised to follow a consistent growth path over the next few years.

With our current pipeline of ongoing projects, we aim to own and operate more than 16.9 Million Sq. Ft. of annuity income earning retail & commercial assets by FY2023. With a strong belief in India's consumption story, and a proven track record of managing multiple large-scale asset development projects concurrently, we are well on track to convert our ambitious plans and deliver value for our shareholders. We look to the future with positivity and confidence, as we believe we are capable of generating superior returns through the intelligent and judicious allocation of capital to develop the various greenfield and brown-field assets we have recently acquired.

With our current pipeline of ongoing projects, we aim to own and operate more than 16.9 Million Sq. Ft. of annuity income earning retail & commercial assets by FY2023.

Progress of Our Portfolio

Further with a vision to double our retail footprint and create the next generation, benchmark setting “malls of the future”, we successfully concluded five acquisitions across India between August 2017 and July 2018. We acquired land parcels in Pune, Bengaluru and Ahmedabad, and two under-construction retail assets in Lucknow and Indore. Three of these acquisitions (Pune, Bangalore, Indore) are through our strategic alliance with CPPIB, while Lucknow is 100% owned by PML and Ahmedabad is a joint venture with the local B-Safal group. As a result, these deals have taken our under-developed mixed-use portfolio to 4.9 Million Sq. Ft. in FY2019.

I would also like to highlight the progress we're making on our projects in our pipeline. The construction has been in full swing across the upcoming Phoenix MarketCity malls in Pune, Bangalore, Indore, Lucknow, as well as our Palladium Mall in Ahmedabad. Furthermore, Lucknow is on track to be the next operational retail asset by second half of FY2020.

Besides the new retail developments, I am pleased to inform you that we also plan to develop retail and commercial office spaces at High Street Phoenix, which will serve as an extension to our retail and commercial space at Lower Parel, Mumbai. This project will strengthen the business of PML with an

expansion in our retail and office portfolio and further consolidate High Street Phoenix as Mumbai's top retail destination. We will share more details on this development during the course of the coming year.

Besides retail, we have a clear priority to add commercial office spaces on top of our existing retail assets by leveraging and monetising our balance development potential. The commercial offices are a good complement to the retail developments and provide a Grade A captive catchment for enhancing weekday consumption at the mall. At present, we have construction underway at Vimannagar Pune (Fountainhead - Tower 2&3) and expect to commence construction for a commercial office on top of Palladium Chennai with leasable area of approximately 0.42 Million Sq. Ft. in H2 FY2020. Further we are currently at planning stages for an additional 3.2 Million Sq. Ft. of office space at our retail centers in Lower Parel Mumbai, Whitefield Bangalore, Wakad Pune and Hebbal Bangalore.

On the residential front, FY2019 was a significant year as we completed the development of the five towers at Kessaku and received Occupation Certificate in March 2019. Further in April 2019, we received the Occupation Certificate for Tower 6 in One Bangalore West. The cashflows generated through sale of the unsold inventory will be a source of significant free cash flows in the coming years. We plan to deploy these free cashflows into value accretive opportunities for either new growth opportunities or bringing down debt on selected assets or increase dividend pay-outs.

Between now and FY2023, we're keeping a very close watch on delivering on our ongoing developments. Post FY2023, we plan to add 1 Million Sq. Ft. of retail assets to our portfolio each year.

The 10 Year Plan of PML

PML has always believed in its business model, seasoned management team, dedicated staff, continuing underlying growth and potential. We have a clear vision of where we want to see PML in the next ten years. Between now and FY2023, we're keeping a very close watch on delivering on our undergoing developments.

Post FY2023, we plan to add 1 Million Sq. Ft. of retail assets to our portfolio each year. We see strong growth prospects in the Tier I markets such as Kolkata, Delhi and Gurgaon, Hyderabad and Chandigarh besides existing markets such as Mumbai and Chennai. Accordingly, we will continue to evaluate new Tier I consumption markets opportunistically to expand our footprint across India. As India grows, there will be continuous demand for high quality commercial spaces.

With these clearly marked goal posts, we have an explicit strategy in place, supported by well-drawn out action plans and well-resourced capital budgeting.

Going Forward

Through our focus, design and customer service, we have created a brand that is trusted by our customers across multiple asset classes. Looking ahead, we are well set to deliver on our commitments, with the full support and encouragement of our various stakeholders.

I would like to thank our Board members for their wisdom and continued guidance. We look forward to your continued support in PML's growth journey as we create long-term value for our stakeholders.

Our malls are more than mere shopping destinations, and have been designed to deliver a holistic entertainment experience. We have consistently invested in the Phoenix brand to ensure that every aspect of our malls — from their locations to their ambiance — to ensure that they add value to the aura of any event. With years of experience, and years of operating our assets towards achieving this goal, we have engaged with best-in-class talent to design our spaces to be mixed-use,

to host a multitude of events. From concerts to fashion shows, our assets have consistently proven to be the preferred event destinations across India.

As our cities become increasingly populated, there are fewer spaces that act as commons. We recognise this needs in our communities and shape our malls to serve as entertainment and cultural hubs for people to congregate and engage as a community.

We create assets that are the preferred destination for world class events. Not only does this enhance the Phoenix Mills brand aura, but also provides our customers with the opportunity to widen their expectations when it come to defining their entertainment experience.

CONSISTENT CASH FLOW GENERATION

Strategic Report

Notice

As we implement our growth strategy over the next 10 years, we expect to sustain – and grow – our annuity Free Cash Flows (FCF) generation. Our plan for this strengthened cash position is simple: re-invest into our business to propel us even further on our growth journey to create India's most eminent realty firm. In doing so, we aim to be an outlier in value creation for all our stakeholders.

Over the years, we have consistently been able to increase our FCF generation, which has allowed us to take on new opportunities to grow our business. We have focused on deploying our free cash flows strategically and pro-actively into new income generating assets, which we expect to further produce additional rental revenue from our retail and commercial assets. In the past we have used our free cash flows for opportunities like facilitating the buyout of minority stakes, the acquisition of an under-construction retail asset in Lucknow, and investing into new a new land parcel in Ahmedabad. With the

ability to act on more opportunities like this in the future, we foresee an exponential increase in our portfolio, powered by both existing and upcoming assets.

Today, PML stands in the middle of strong annuity generating position. Managing our cash position is an ongoing and exciting challenge that we face. As all our assets have the ability to comfortably service their respective liabilities on their own, we plan to make optimal use of our cash war-chest for either making fresh investments into our existing business, scouting for new

inorganic opportunities, returning our cash to shareholders or to further pair down our debt and boost return ratios.

As the new set of our malls become operational, they will further contribute towards the generation of revenue. And as our newly added retail-led mixed-use assets generate further income, we expect to produce an upward virtuous cycle that continues to generate positive cash flows for our Company. In doing so, we aim to be an outlier in value creation for all our stakeholders.

**Consumer Expenditure in India across city type

Source: PRICE Projections based on ICE 360° Surveys (2014, 2016, 2018)

India, today, stands as the sixth largest economy in the world, with an annual Gross Domestic Product (GDP) growth rate of 7.3%, a momentum that is expected to sustain over the next decade. One of the many factors that is driving the strong growth of India is its promising consumption story.

Domestic consumption, which powers 60% of GDP today, is expected to grow into a US\$6 trillion opportunity by 2030. This consumption growth will be supported by a 1.4 billion strong population that is younger than that of any other major economy. The outlook for the future of consumption in India is rooted in the growth of the upper-middle income and high-income segments by 2030. At the same

time, India will also uplift around 25 million households out of poverty.

PML continues to capitalise on the growing consumption levels in India and has made significant progress by focusing on the tremendous opportunities offered by India's transforming urban milieu in the top-tier consumption cities of India. In doing so, we have delivered growth across all our assets – a testimony to the leadership position we have achieved with our unique business model.

Over the past two decades, the Company has transformed into a deeply entrenched and pervasive entity within India's growing consumption-based economy. Our ability to

deliver on our sustainable growth plans has proven our expertise and passion to perform.

We have further optimised the development mix at each location by now adding commercial offices centres to our existing as well as under-development retail malls. Our mixed-use assets closely reflect the urban consumption lifestyle and are closely linked to India's strength as a consumption powerhouse.

Our objective is to continue to sustain our market leadership and expand our domestic footprint to strengthen our retail positioning.

One of the key drivers of India's vibrant economy is its rising demographic-led consumption, catalysed by a young nation, rising income levels, increasing purchasing power, growing urbanisation, changing consumer preferences, and a higher brand awareness.

Economic Overview

India has emerged as one of the fastest growing major economy, and is expected to be amongst top three economic powers over the next 10 to 15 years, buoyed by the Country's strong democracy and partnerships. India's GDP is expected to grow at 7% in FY2020, picking up to 7.2% in FY2021, the IMF has forecast.¹

With its growth accelerating, India has retained its position as the third largest start-up base in the world with over 4,750 technology start-ups. Its labour force is anticipated to touch 160-170 million by 2020, helped by the rate of population growth, increased labour force participation, and higher education enrolment, among other factors. (ASSOCHAM and Thought Arbitrage Research Institute).²

India's foreign exchange reserves were US\$ 405.64 billion as of March 2019, according to data from the RBI. The Parliament's interim Union Budget for 2020 announced in February 2019 focused on supporting farmers, the economically less privileged population, workers in unorganised sectors, and salaried employees; while continuing to support the Indian Government's initiatives to better the Country's physical and social infrastructure.

The Union Budget announced on 5th July, 2019 focuses on reducing red tape, making best use of technology, building social infrastructure, digital India, pollution free India, make in India, job creation in Micro, Small and Medium Enterprises (MSMEs) and investing heavily in infrastructure.³

3rd Largest Consumer Economy by 2025

According to World Bank estimates, India will continue to be the fastest growing major economy in the world, with 7.5% GDP growth predicted in the next two years. It is already one of the most sought-after foreign-investment destinations and is expected to become the third largest consumer economy by 2025. A young demographic base, growing income levels, expanding (globalised) middle-class and stable democracy has propelled India into the league of major global economic powers.⁵

Rising Consumer Spend

The Indian consumer durables market, broadly segregated into urban and rural markets, is proving to be attractive to global marketers. Made up of a large middle class, a relatively large affluent class, and a small economically disadvantaged class. Global corporations view India as one of the key markets for future growth. The growth in India's consumer market would be principally driven by a positive population composition increasing disposable incomes and easy access to credit.

Rising Urbanisation in India

300 million New Urban Residents by 2050

As per the predictions by UN Department of Economic and Social Affairs (UN DESA), the increase in the urban population in the future will be concentrated in few countries. In 2050, India, China and Nigeria are together expected to account for 35% of the projected growth in the world's urban population; of these three, the absolute growth in urban population is projected to be the highest in India.

India's urbanisation is globally relevant for several reasons. According to World Bank estimates, India will continue to be the fastest growing major economy in the world, with 7.5% GDP growth predicted in the next two years. democracy, India has joined the league of major global economic powers. India is currently at a unique tipping point in its journey of urban development, with 300 million new urban residents projected by 2050. A variety of cultures, languages, climate zones and landscapes, united by the Indian government's efforts towards citizen-focused urban development, means that India is composed to establish unique global benchmarks in sustainable urbanisation.⁶

Management Discussion & Analysis

Industry Overview

Retail in India

The Indian retail industry has arisen as one of the most dynamic and fast-paced industries due to the entry of several new players. Total consumption expenditure is expected to reach nearly US\$ 3,600 billion by 2020 from US\$ 1,824 billion in 2017. It accounts for over 10% of the country's Gross Domestic Product (GDP) and around 8% of the employment.⁷

India is the world's fifth-largest global destination in the retail space. India's retail market is expected to increase by 60% to reach US\$ 1.1 trillion by 2020, on the back of factors like rising incomes; lifestyle changes by the middle class; and increased digital connectivity.

It is projected that, by 2021, traditional retail will hold a major share of 75%, organised retail share will reach 18% and e-commerce retail share will reach 7% of the total retail market. The long-term outlook for the industry is positive, supported by rising incomes, favourable demographics, entry of foreign players, and increasing urbanisation.⁸

Presently, the penetration of modern retail in India is low compared to that of developed and emerging economies. However, consumer spending patterns and increasing disposable income levels in India continue to evolve at a faster speed. With a number of international brands entering the market, the dynamism has been amplified. Existing brands are also working towards reinventing ways to keep up with the pace of growth in the sector. Nevertheless, there is a huge untapped potential for the growth of modern retail in the top six retail markets in India namely, National Capital Region, Mumbai, Chennai, Bangalore, Pune, and Hyderabad.⁹

Growth in Organised Retail

Strong macroeconomic factors coupled with robust demographics and Internet penetration will fuel the growth of the retail market in India, which is third largest in Asia and fourth largest globally after USA, China and Japan. According to a joint report by Deloitte and the Retailers Association of India (RAI), as Internet penetration increases in the country and more international retailers start operating in India, the share of organised retail market would increase from about 12% in 2017 to about 22-25% by 2021.

Presently, the penetration of modern retail in India is low compared to that of developed and emerging economies. However, consumer spending patterns and increasing disposable income levels in India continue to evolve at a faster speed.

Retail

In 2018, The retail sector emerged as one of the most vibrant and fast-paced real estate sectors in India. The sector is now projected to grow from US\$672 billion in 2017 to US\$1.3 trillion in 2020. As per industry estimates, the market size of Tier II and Tier III cities is expected to grow from the current US\$ 5.7 billion to US\$ 80 billion by 2026. India's Tier II and Tier III cities are well-set to be the growth engines of the country's retail future, and mall developers.¹⁰

Over the last decade, the notion of shopping has experienced a transformation in terms of format and consumer buying behaviour, accompanying in an era of modern retail across the country. Today, Indian retail is at a stimulating juncture. With the evolution to newer avenues of conducting business, retailers are at the forefront of making most of the opportunities. Leveraged by development, augmentation and modernisation of infrastructure in major Indian cities, the scope of retail has increased in the economy.¹¹

Robust Consumption Across Major Urban Cities

Source: CBRE Capital Markets

The tourism industry is looking forward to the expansion of the E-visa scheme, which is expected to double the foreign tourist inflow to India.

Commercial

Commercial real estate sector gained momentum during 2018 as the supply increased by 13% YoY to 36.9 million square feet, the highest YoY increase in this decade. In addition to this, the BFSI sector observed the majority increase in transactions' share, driven by payment gateway companies taking up spaces — especially in Bangalore — while the concept of co-working spaces is also gaining prominence in India.

Residential

The residential real estate market in India is beginning to stabilise as reflected by the recovery in the volume of apartments launched in 2018, says a report titled 'India Real Estate, July- December 2018', by Knight Frank India. This period of stabilisation, right-sizing and right-pricing of new residential product, including an improving homebuyer sentiment due to increased transparency, have culminated in a 76% YoY growth in units launched during 2018 and a more modest 6% YoY growth during the same period for sales.

Hospitality

The tourism and hospitality industry in India has evolved as one of the major key drivers of growth in the services sector. The industry has a noteworthy potential in view of the rich cultural and historical heritage, variety in ecology, terrains, and places of natural beauty spread across the country. It is also a potentially large employment generator besides being a significant source of foreign exchange for the country.

During the period April 2000-December 2018, the hotel and tourism sector attracted around US\$ 12 billion of FDI, according to the data released by Department for Promotion of Industry and Internal Trade (DPIIT).

India's rising middle class and increasing disposable incomes has continued to support the growth of domestic and outbound tourism. Further, the tourism industry is looking forward to the expansion of the E-visa scheme, which is expected to double the foreign tourist inflow to India.

Management Discussion & Analysis

OUR PORTFOLIO UNDER DEVELOPMENT

We have closed 5 acquisitions – land parcels in Pune, Bangalore and Ahmedabad, under-construction retail assets in Lucknow and Indore – between Aug 2017 & July 2018 which are now under development. These acquisitions take our under-development retail leasable portfolio to c.4.9 million sq. ft. We have further mixed-use development potential on most of these assets.

Phoenix MarketCity, Wakad, Pune

Under the CPPIB alliance, ISMDPL acquired a 15-acre land parcel at Pune, Wakad. This was the first acquisition with a development potential of 1.8 million sq. ft. and will allow premium retail development of 1.1 million sq. ft. The 2nd Phoenix MarketCity in Pune will house a contemporary mix of family entertainment zones, multiplexes, large-format departmental stores, inline stores and fine-dining options. The retail asset will be nearly 23 kms away from the existing Phoenix MarketCity, with strategic access to commercial areas such as Hinjewadi, Baner and Aundh. It will also cater to the residential areas of Wakad, Baner, Aundh and Balewadi, extending up to Kothrud in South West of Pune.

Project	Partnership / owned	Land Size	Development Potential	Comments
PMC Wakad, Pune		15 Acres	1.6 msf (1.1 msf retail)	Construction in progress. Expect operations to commence during FY23
PMC Hebbal, Bangalore	ISML – alliance with CPPIB (PML stake: 51%)	13 Acres	1.8msf (1.2 msf retail)	Construction in Progress. Expect operations to start during FY23
PMC Indore		19 Acres	1.0 msf retail	Construction in Progress. Expect operations to commence during FY21
PMC Lucknow	100% owned	13.5 Acres	0.9 msf retail	Construction well underway. Expect operations to commence during H2 FY20
Palladium, Ahmedabad	50:50 alliance with BSafal group	5.2 Acres	0.7 msf retail	PML's third Palladium mall, after Mumbai & Chennai. Construction in Progress. Expect operations to commence during FY22

Phoenix MarketCity, Indore

An under-construction retail development was acquired in Indore through an auction process. Spread over 19 acres of land, the said development will be developed into Phoenix MarketCity, Indore with GLA of 1.0 million sq. ft. Indore was deprived of a destination retail development and this development is planned to become the 'Go-to' destination for the people of Indore and adjoining cities and towns.

Phoenix MarketCity, Hebbal, Bangalore

In April 2018, ISMDPL acquired another land parcel of 13 acres at Hebbal, Bangalore, with a development potential of 1.81 million sq. ft of which 1.20 million sq. ft. will be utilised for retail. A second Phoenix MarketCity project in Bangalore will be constructed on this land parcel, which will become the preferred retail, entertainment and commercial destination. This new development coupled with existing mall in Bangalore will help us cater to most of the key micro-markets of Bangalore.

Phoenix MarketCity, Lucknow

Lucknow is one of India's fastest growing cities and is the economic and political capital of India's largest state - Uttar Pradesh (UP). With the city having limited options of large format grade A retail, The Phoenix Mills acquired an under development mall spread over 13.5 acres of land, which was auctioned by the Uttar Pradesh state government. 90% RCC work was complete when acquired in July 2018. Work is on in full swing at the site and we expect the mall to become operational in H2FY20. This will be the first among the new malls to become operational with GLA of 0.9 msf. PML has a 100% stake in this development.

Palladium, Ahmedabad

With an acquisition of 5.2 acres of prime land in Thaltej, Ahmedabad with its partner B-Safal group, PML is set to bring its luxury mall brand 'Palladium' to Ahmedabad. Prime location, right luxury brand-mix and a superior one of its kind customer experience is what will define Palladium Ahmedabad once ready. Excavation is currently ongoing at site and the mall is expected to become operational in FY2022.

OUR COMMERCIAL PORTFOLIO

The Phoenix Mills Limited operates commercial centres in Mumbai and Pune with a rent-generating leasable area of 1.32 million sq. ft. Our growing portfolio of Grade A commercial spaces complement our retail centres and adds to our annuity income stream, besides fitting in with our philosophy of an integrated work-life balance. Moving ahead, we have a clear priority to add to rent-generating commercial space at the malls in Pune, Bangalore, and Chennai.

SUSTAINABLE DEVELOPMENT AT PML

**SUSTAINABLE
DEVELOPMENT
GOALS**

Our strategy behind sustainable development is aligned with the Sustainable Development Goals (SDG) outlined by the United Nations.

The Goal is aimed towards eradicating poverty in all its forms and dimensions by 2030.

The objective of this goal is to reduce inequalities within and among countries.

The Goal aims at ensuring healthy lives and promoting well-being for all at all the ages.

The goal aims at making cities and human settlements inclusive, safe, resilient and sustainable.

The Goal is aimed at achieving gender equality and empowering all women and girls.

The focus of this goal is to ensure sustainable consumption and production patterns.

The Goal is aimed towards promoting sustained, inclusive and sustainable economic growth, full and protective environment and decent work for all.

This goal aims towards taking actions to combat climate change and its impacts.

The goal is aimed towards building resilient infrastructure, promote inclusive and sustainable industrialisation and foster innovation.

Sustainability, at PML, is all about resource efficiency and improving the way our business is run. It is about using environmentally responsible products and managing their environmental impact. We conduct our operations in a manner that are ethical, transparent, proactive and sensitive to all stakeholders. The link is the little things we do to contribute to bigger initiatives. We believe that being socially and environmentally responsible is good for people and the planet, and essential for the long-term sustainability of business.

Our employees are vital to fulfilling our purpose. In centre or behind the scenes, the experiences they create for our visitors and retailers are at the heart of what makes PML different. Our people are talented individuals, and our culture empowers them to be bold, creative and genuine in their work and to come together to create high performance teams that drive PML's success.

Corporate Social Responsibility is embedded in our vision statement of empowering the vulnerable sections of the society. Our CSR policy at The Phoenix Mills Limited is to function as a responsible corporate citizen, while discharging our social responsibilities. We utilise all opportunities to make any difference to people coping with social challenges.

Our People

The Recruitment Process

Our approach to Talent Acquisition is all about attracting right talent within PML and creating a brand for our organisation in the talent market, which is the key to success of hiring right talent. It is a well-designed approach with not only industry best practices being followed like psychometric tools, competency assessment but also setting newer benchmarks. Further, internal talents are given opportunity over lateral hiring with the purpose of promoting internal growth and development.

Our process also includes providing exceptional candidate experience throughout the journey of a candidate, thereby helping the candidate to understand the culture, expectations of the organisation and above all, making them our brand ambassadors.

Employee Engagement

Engagement at Phoenix is guided by the principle of creating positive work environment by way of fostering open culture, fun and inclusivity.

Some of the initiatives around engagements are:

1. **Connecting with the new incumbents and settlement of new incumbents within the organisation :** A series of interventions are taken like First Impression, Coffee with HOD and meet with HR to drive periodic conversations.
2. **Fun@Work :** Various initiatives are taken in this direction like a structured approach to fun by way of creating an Annual Engagement Calendar in the areas of Sports, Festivals, birthdays, amongst others.

3. **Rewards and Recognitions:** We recognize that the key factor in the success of the Organization is performance, quality of work and dedication towards achieving organisational objectives by its employees. The purpose of the Reward & Recognition Policy is to recognize and promote positive behaviour and to create a culture that celebrates success and sets higher benchmarks. Various recognition tools are made available to managers and leaders to promote the culture of recognition across the organisation.

5. **Team Engagements:** Quarterly team outings to engage teams and improve collaboration and bonding in an informal environment.

4. **Wellness:** Health and wellness of our employees are given utmost importance at Phoenix. Few initiatives in this direction taken are Annual health check-ups, wellness sessions by experts, Yoga sessions, amongst others.

Learning and Development

Learning and Development is at the core of Phoenix culture and hence we continuously invest in the development of our internal talent thereby achieving employees' aspirations and organisations' objectives.

Blended Learning Approach has been adopted to build right functional and behavioural capabilities within the organization, so as to develop talent which is future ready. Some of the approaches are classroom training, E-learning, Experiential learning, cross functional learning, seminars, amongst others.

For on roll employees we conducted training sessions which comprised of a total of 1,537 man-days.

For off roll employees we conducted training sessions which comprised of a total of 3,204 sessions totalling to 62,122 training man hours.

Enhancement in HR Automation

FY2019 marked the year of enhancement in HR Automation with the introduction of cloud-based HR software. The objective of the enhancement was to provide managers and employees easy access to information, thereby making the whole experience delightful. An introduction of Mobile App made the information available on the go.

Gender Diversity

At PML, we believe in equitable and fair representation of people of different genders. We believe that our workforce should reflect our customers and the communities around our centres, so diversity is incredibly important to us. We continue to work hard to achieve gender balance at every level of our business.

RISK MANAGEMENT & INTERNAL CONTROLS

PML identifies new risks and re-evaluates old risks during the year, in the process of considering risk mitigating strategies. Some of the risks the Company's core businesses are exposed to include credit risk, market risk, operational risk and legal risk. It is also exposed to specific risks in connection with the management of investments and the environment within which it operates. The Company manages cost escalation risk through processes aimed at optimizing costs through suppliers and through rigorous contracts and procurement. To manage project execution risk, PML evaluates track records and performance capabilities to ensure the right contracts are on board. As a part of the monitoring system, a project review is done every week on timelines and budgets to evaluate project cost and costs to completion.

The Company seeks to understand, limit and manage the adverse impacts arising from external and internal events. The risk management team safeguards and protects the Company's assets against unauthorized use or disposition, maintenance of proper accounting records and verification of authenticity of all transactions. Within the Company, the directors are responsible for maintenance of a sound system of internal controls. This is done by way of continuous process of identifying, evaluating and managing the risks faced by the company.

The Group's effectiveness on internal control and their internal control system is also checked by external agencies. This results in an unbiased and independent examination of the adequacy and effectiveness of the internal control system and aims to achieve the objective of optimal functioning of the Company.

Information Technology

Your Company understands that an adequately equipped IT infrastructure, both technologically and quantitatively, is the foundation for stable IT systems and optimal IT support. It has the best-in-class IT systems and the entire IT backbone to manage administration and delivery of its services. A key hallmark of its IT systems is its ability to monitor and assist each retail store, helping them manage their business better and has a comprehensive package for managing its

retail properties. This enables the entire operation to be on a centralised platform offering single-system property management and accounting integration.

The advanced IT system facilitates PML in establishing various business intelligence reports for investment management, electronic procurement, paperless transaction processing, budgeting, forecasting and cash flow modelling. The Company has adopted global standards in information automation, performance metrics and management excellence. The efficient enhancement of the application environment at different locations in the business processes and in sales network is just as vital as having a modern IT infrastructure. The technical staff is responsible not only for programming the systems, but also supporting the users in technical development. Expert teams develop solutions that can be applied across verticals to establish IT standards in business areas that are the basis for leveraging potential synergies.

Operating Performance & Key Business Developments

The Company today is one of the largest retail-led real estate Company in India. We have 8 operational retail assets with a leasable area of around 6 Million Square Feet ('MSF') in Mumbai, Bengaluru, Chennai, Pune, Lucknow and Bareilly. Apart from retail, we have 1.32 MSF of rent generating office portfolio in Mumbai and Pune, and two hotels - The St. Regis, Mumbai and Courtyard by Marriott, Agra.

With a portfolio comprising of over 17.5 MSF of Retail, Residential, Commercial and Hospitality assets spread over more than 100 acres of land, the Company is best positioned in the industry to serve the people of India, one of the fastest growing economy in the world. Our mixed-used model of development gives us a 5-6 years head start in building top quality assets in the key gateway cities of India.

The Company is a proxy to the great Indian Consumption story. Our consumption has grown at a CAGR of 11% between FY 2013-14 and FY 2018-19, while rental income has shown a CAGR of 12% during the same period. During FY 2018-19, we clocked total retail consumption of ` 68.9 billion across our retail properties with a total rental income of ` 9.9 billion.

We have a residential portfolio of 3.72 MSF, of which we have completed 3.01 MSF and sold 2.00 MSF in the cities of Bengaluru and Chennai. The yet to be launched area pertains to Towers 7-9 at One Bangalore West which the Company intends to launch at an opportune time.

The St. Regis, Mumbai continues its robust performance and has emerged as one of Mumbai's most preferred Hotels. Total Income for the year was ₹ 3,042 million, an increase of 9% over the previous year. With a total of 395 rooms, the hotel clocked an average occupancy of 80% with an ARR of ₹ 11,776, showing strong growth in Room, F&B and Banquet revenues. Courtyard by Marriott continues to perform well and did revenues of ₹ 370 million with 67% occupancy and ARR of ₹ 3,908.

During the year, we completed three new acquisitions – Land parcels in Hebbal (Bengaluru), Thaltej (Ahmedabad) which is a 50% joint venture with BSafal group, and an under-construction mall in Lucknow which is owned by the Company. These three acquisitions along with the acquisition of land parcel in Wakad (Pune) and an under-construction mall in Indore completed during previous year to take our under-development retail portfolio to about 4.9 MSF. Phoenix MarketCity Lucknow is expected to become operational in H2 FY 2019-20 and will be the first among the new projects. The rest of the portfolio will become operational part by part till FY 2022-23.

In the year 2017, we had entered into an alliance with Canada Pension Plan Investment Board ('CPPIB') for which Island Star Mall Developers Private Limited ('ISML') (Phoenix MarketCity Bangalore) served as the platform. CPPIB infused ₹ 16,620 million in equity for a 49% stake in ISML and the Company continues to hold the balance 51% stake. The funds raised in ISML were used to acquire land parcels in Wakad, Pune and Hebbal, Bengaluru and the under-construction mall in Indore. The entire funds raised from CPPIB stand committed within a short span of 14 months which is a remarkable achievement for the Company. With these acquisitions, the Company is set for its next leg of growth by expanding its footprint across key markets in India. The rising aspirations and increase in per capita income of Indian people continues to inspire us. We remain optimistic about the retail market in the country and look forward to continue to create shopping, dining & entertainment destinations in different cities to cater to the rising aspirations of urban consumers.

Management Discussion & Analysis (MDA), which forms a part of this report, deals comprehensively with our current operations and projects in the pipeline. It also deals with the current & future outlook of the Company.

Capital Structure

During the year under review, the Company has issued and allotted 148,061 equity shares having face value of ₹ 2/- each pursuant to exercise of Employee Stock Options, which have been listed on National Stock Exchange of India Limited ('NSE') and The BSE Limited ('BSE').

The policy also provides for adequate safeguards against victimisation of persons who avail the same and provides for direct access to the Chairperson of the Audit Committee.

The Whistle Blower Policy was modified by the Board on the recommendation of the Audit Committee, to enable the employees to report concerns relating to leak or suspected leak of Unpublished Price Sensitive Information. The Audit Committee of the Company oversees the implementation of the Whistle-Blower Policy. The Whistle Blower Policy can be accessed at the Company’s website at the weblink : www.thephoenixmills.com/investordesk.html.

Prevention of Sexual Harassment of Women at Workplace

The Company has adopted a policy on prevention, prohibition and redressal of sexual harassment at workplace and has also established an Internal Complaints Committee, as stipulated by The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and rules thereunder.

During the year under review, no complaints in relation to sexual harassment at workplace have been reported.

Awareness workshops and training programs are conducted across the Company to sensitize employees to uphold the dignity of their colleagues at workplace specially with respect to prevention of sexual harassment.

Risk Management Policy

The Board of Directors of the Company has framed a Risk Management Policy and Guidelines to avoid events, situations or circumstances which may lead to negative consequences on the Company’s businesses and defined a structured approach to manage uncertainty and to make use of these in their decision-making pertaining to all business divisions and corporate functions. Key business risks and their mitigation are considered in periodic management reviews.

Further, pursuant to Regulation 21 of the amended Listing Regulations, the Board of Directors have also constituted the Risk Management Committee of the Board on February 7, 2019, details of which are mentioned in the Corporate Governance Report. The composition of the Committee is in conformity with the Listing Regulations, with all members being Directors of the Company. The Risk Management Committee is, inter alia, authorised to monitor and review the risk assessment, mitigation and risk management plans for the Company from time to time and report the existence, adequacy and effectiveness of the above process to the Board on a periodic basis.

The details of composition of the Risk Management Committee and its terms of reference, is provided in the section titled ‘Report on Corporate Governance’, which forms part of this Annual Report.

BOARD'S REPORT

ANNEXURE I

DIVIDEND DISTRIBUTION POLICY

1. Background and applicability

In terms of Regulation 43A of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Regulations"), top 500 listed companies (by market capitalisation) are required to formulate a Dividend Distribution Policy which shall be disclosed in their annual report and on their corporate website. Since the Company is one of the top five hundred listed companies as per the market capitalization as on March 31, 2016, in line with the above statutory requirement, the Board of Directors of The Phoenix Mills Limited ('the Company') have adopted the Dividend Distribution Policy (hereinafter referred to as 'the Policy'). The Policy reflects the intent of the Company to reward its shareholders by sharing a portion of its profits after retaining sufficient funds for growth of the Company. The Policy also ensures the right balance between the quantum of Dividend paid and amount of profits retained in the business for various purposes, in the interest of providing transparency to the shareholders.

2. Dividend Distribution Philosophy

The philosophy of the Company is to maximise the shareholders' wealth in the Company and is deeply committed to driving superior value creation for all its stakeholders through various means. The focus will continue to be on sustainable returns, through an appropriate capital strategy for both medium term and longer term value creation. The Company believes that driving growth creates maximum shareholder value. Thus, the Company would first utilise its profits for working capital requirements, capital expenditure to meet expansion needs, reducing debt from its books of accounts, earmarking reserves for inorganic growth opportunities and thereafter distributing the surplus profits in the form of dividend to the shareholders.

3. Parameters considered for declaration of Dividend

The Policy lays down parameters that will be followed by the Board of Directors of the Company in striking a right balance each year between the amount of Net Profit after Tax to be retained in the business and the amount of Net Profit after Tax earmarked for distribution as dividend to reward shareholders of the Company. The Company intends to follow these parameters in a consistent manner to ensure fair rewards for its shareholders each year while ploughing back adequate funds in the business to enable the Company to consolidate its financial strength and earn adequate distributable profit to reward its shareholders consistently.

In line with the philosophy stated above, the Board of Directors of the Company shall consider the following parameters before declaring or recommending dividend to shareholders:

A) Financial Parameters and Internal Factors:

- a. Financial performance including profits earned (both standalone and consolidated), available distributable reserves etc;
- b. Working Capital requirement
- c. Capital Expenditure requirement
- d. Cost and availability of alternative sources of financing
- e. Resources required to fund acquisitions and/or new businesses
- f. Cash flow required to meet contingencies and unforeseen events
- g. Outstanding borrowings and debt repayment schedules;
- h. Distributable surplus available as per the Act and Regulations
- i. Past Dividend Trends
- j. Impact of dividend pay-out on Company's return on equity
- k. Any other factor as deemed fit by the Board.

B) External Factors:

The Board of Directors of the Company would consider the following external factors before declaring or recommending dividend to shareholders:

- a. Macroeconomic and business conditions in general
- b. Prevailing legal requirements, regulatory conditions or restrictions laid down under the Applicable Laws including tax laws;
- c. Dividend pay-out ratios of companies in the same industry.
- d. Stipulations/ Covenants of loan agreements

4. Circumstances under which the shareholders of the Company may or may not expect dividend

The Board shall consider the factors provided above, before deciding on any dividend pay-out after analyzing the prospective opportunities and threats, viability of the options of dividend pay-out or retention etc. The decision of dividend pay-out shall, majorly be based on the aforesaid factors considering the balanced interest of the shareholders and the Company.

In line with Dividend Philosophy of the Company, there may be certain circumstances under which the shareholders of the Company may not expect dividend, including the circumstances where:

- a. The Company requires significantly higher working capital which adversely impacts free cash flow
- b. The Company is in higher need of funds to undertake any acquisitions or joint ventures requiring significant allocation of capital;
- c. The Company proposes to utilize surplus cash for alternative forms of distribution such as buy-back of securities; or
- d. The Company has incurred losses or is in the stage of inadequacy of profits.

5. Utilization of retained earnings

The Board may retain its earnings in order to make better use of the available funds and increase the value of the stakeholders in the long run. The profits retained by the Company (i.e. retained earnings) shall be used for following purposes:

- Funding inorganic and organic growth needs including working capital, capital expenditure, repayment of debt, etc.
- Buyback of shares subject to applicable limits
- Payment of Dividend in future years
- Issue of Bonus shares
- Any other permissible purpose

6. Parameters with regard to various classes of shares

Presently, the issued and paid-up share capital of the Company comprises of equity shares only. In case, the Company issues other kind of shares, the Board may suitably amend this Policy.

7. General

This Policy shall be reviewed at least once every 3 years. The Chief Investor Relations Officer and the Company Secretary are jointly authorized to obtain the approval of the Company's Board for amendment of the Policy to give effect to any changes /amendments notified by Ministry of Corporate Affairs, Securities and Exchange Board of India or any appropriate authority from time to time.

8. Modification of the Policy

The Board is authorised to change/amend this policy from time to time at its sole discretion and/or in pursuance of any amendments made in the Companies Act, 2013, SEBI Listing Regulations, 2015 etc.

Company's CSR Initiatives during the FY 2018-19

During FY 2018-19, the Company has incurred its CSR related expenditure in the areas of conservation of natural resources, maintaining quality of soil, air and water and promotion of education especially amongst underprivileged children and livelihood enhancement projects for women, which are among the areas identified and approved by the Company's Board for CSR related activities.

The Company has been working with Aakar Charitable Trust (a registered Trust with a track record of more than a decade) as the implementing agency for the purpose of carrying out its CSR activities relating to conservation of natural resources, etc. The Trust mostly works in the area of constructing water harvesting structures popularly known as 'check dams' in water starved rural areas and villages. These check dams involve comparatively small masonry constructions and extensive earthen bunds. The check dams have all the advantages of the larger dams and do not involve any displacement and rehabilitation of people, water logging, risk of breach thereby preventing extensive damage to life and property. These check dams ensure preservation of water for drinking, agriculture, cattle rearing purposes.

Apart from the above-mentioned CSR activity, during FY 2018-19 the Company also partnered with Smile Foundation, Friends of Tribals Society and Light of Life Trust for attaining its CSR objectives in the areas of eradicating poverty and malnutrition and creating nutrition awareness, reducing inequalities faced by socially and economically backward groups and education to rural underprivileged children.

Smile Foundation is an NGO in India directly benefitting over 6 lakh children and their families every year, through more than 250 live welfare projects on education, healthcare, livelihood and women empowerment across 25 states of India. The Company partnered with Smile Foundation in its nutrition project, Mission Education programme which outlines an investment in the next generation by highlighting nourishment as a core focus area.

The project incorporates evidence-based nutrition interventions, as well as integrates nutrition goals into broader efforts in critical areas such education, sanitation and health, broadly under two categories:

- Nutrition Support: Catering to nutritional needs of the underprivileged children
- Nutrition Awareness: Sensitizing the underprivileged communities towards the issue of malnutrition amongst children, mothers and family members

Friends of Tribals Society is a non-government social administration, devoted to the reason for tribal and provincial upliftment by making them socially strong, educationally aware and economically vibrant and self-reliant and the Company has collaborated with them in this initiative.

Light of Life Trust is committed to educate rural underprivileged children. The Company partnered with the Trust in its project named "Anando" in the Mohili, Diksal & Tiware Centre, Karjat Taluka, Raigad District in the state of Maharashtra and supported 108 children for academic year 2018-19.

BOARD'S REPORT

Reason for unspent amount on CSR

During the FY 2018-19, the Company through the Aakar Charitable Trust has focused on the water deprived villages of Rajasthan and Odisha to remove scarcity of water by constructing check dams. During the last financial year, the Trust has taken up construction of check-dams in Barmer, Jaipur, Pali, Alwar and Ajmer districts of Rajasthan and certain villages in Odisha.

Aakar is in the process of identifying other needy villages for construction of check dams and the Company will provide the required funds immediately upon presentation of the proposals of the Trust to the CSR Committee and its approval thereof.

Further, the Company has also collaborated with various agencies for implementing its CSR objectives. The CSR committee has constantly monitored the activities of the Trust and the agencies and approved each of its proposals after due consideration.

Going forward, while continuing to incur expenditure on the above projects, the Company will also endeavour to take up new initiatives and meaningful CSR interventions to fulfil its CSR commitments.

Our CSR responsibilities

The CSR committee of the Board of Directors of the Company hereby affirms that the implementation and monitoring of Corporate Social Responsibility (CSR) Policy is in compliance with CSR objectives and policy of the Company.

REPORT ON CORPORATE GOVERNANCE

Company's Philosophy on Corporate Governance

Your Company is committed to good Corporate Governance and as a part of its growth strategy, it places high importance on strengthening and further developing Corporate Governance initiatives. Our Corporate Governance framework not only ensures that we make timely disclosures and share relevant information regarding our financials and performance, but also disclose important information related to the leadership and governance of the Company. For the Company, Corporate Governance is not just adherence to the Statutory & Regulatory requirements but is equally about focusing on voluntary practices that underline the highest levels of transparency & propriety.

The Management's philosophy on Corporate Governance is directed at conducting business in an ethical and professional manner and to enhance confidence of all stakeholders, viz.; shareholders and investors, customers and clients, employees, regulatory bodies, all those who deal with the Company and public in general, since we believe that adhering to the standards of best Corporate Governance practice is essential to achieve long term corporate goals and enhance shareholders value. Our actions are governed by our values and principles, which are reinforced at all levels within the Company. The Company's philosophy on Corporate Governance oversees business strategies and ensures accountability, ethical corporate behaviour and fairness to all stakeholders comprising regulators, employees, customers, vendors, investors and the society at large.

The Company complies with the requirements prescribed under Regulation 17 to 27 read with Part C, D and E of Schedule V and clauses (b) to (i) of sub-regulation (2) of Regulation 46 of the Listing Regulations, as applicable, with regard to Corporate Governance.

A Report on compliance with the Corporate Governance provisions as prescribed under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') is given herein below:

Board of Directors

The Board of Directors ('Board') is entrusted with the ultimate responsibility for the management, general affairs, direction and performance of the Company and has been vested with requisite powers, authorities and duties. The Company believes that an active, diverse, well-informed and independent board is necessary to ensure the highest standards of Corporate Governance. The Board is at the core of our corporate governance practices. Driven on the principles of ethics and accountability, the Board strives to work in best interest of the Company and its stakeholders. It provides strategic direction, leadership and guidance to the Company's management as also monitors the performance of the Company with the objectives of creating long term value for the Company's stakeholders.

Composition of the Board

We acknowledge the importance of diversity in the Boardroom as a driver of effectiveness. For the Board, diversity encompasses difference in perspective, experience, education, ethnicity, gender and other personal attributes. The Board represents an appropriate mix of Executive and Non-Executive Directors, including Independent Directors, which is compliant with the Companies Act, 2013 ('the Act') and the Listing Regulations.

Pursuant to Section 149(4) of the Act read with the Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 17 of the Listing Regulations, the Company has a balanced Board, comprising of Executive and Non-Executive Directors which includes independent professionals with rich experience and expertise from diverse background relevant to the Company's business requirements, who have long standing experience and expertise in their respective fields.

The Board has an Executive Chairman and accordingly pursuant to the provisions of Regulation 17(1)(b) of the Listing Regulations, one-half of the Board comprises of Independent Directors. As on March 31, 2019, the Company's Board comprised of four Executive Directors and four Independent Directors including one Independent Woman Director.

The maximum tenure of Independent Directors is in compliance with the Act and the Listing Regulations.

Changes in the Board Composition

During the year under review, Mr. Ashokkumar Ruia retired as the Chairman and Managing Director of the Company with effect from August 8, 2018 and Mr. Atul Ruia was elevated to the position of Chairman and Managing Director, which was approved by the Members at the previous Annual General Meeting ('AGM') held on September 18, 2018.

Pursuant to the recommendation of the Nomination and Remuneration Committee ('NRC'), the Board appointed Mr. Rajendra Kalkar as an Additional Director of the Company with effect from December 10, 2018 in accordance with Articles of Association and Section 161(1) of the Act and holds office upto the date of the forthcoming AGM. He was also designated as the Whole-time Director of the Company for a period of 5 years with effect from December 10, 2018 subject to approval of the Members at the ensuing AGM. A notice under Section 160(1) of the Act has been received from a Member signifying the intention to propose his appointment as Director.

NRC, on the basis of performance evaluation of Independent Directors and taking into account the external business environment, the business knowledge, acumen, experience and the substantial contribution made by Mr. Amit Dabriwala, Mr. Amit Dalal and Mr. Sivaramkrishnan Iyer during their tenure, has recommended to the Board that their continued association as Independent Directors would be beneficial to the Company. Based on the above and the performance evaluation of Independent Directors, the Board at its meeting held on March 29, 2019 have appointed Mr. Amit Dabriwala, Mr. Amit Dalal and Mr. Sivaramkrishnan Iyer, as additional and Non-Executive Independent Directors, not being liable to retire by rotation, for a second term of 5 consecutive years commencing from April 1, 2019 to March 31, 2024 subject to approval of the Members through Special Resolutions at the ensuing AGM. The necessary resolutions for the appointments form part of the Notice of the forthcoming AGM, along with the necessary disclosures required under the Act and the Listing Regulations, for approval of Members. The Company has received requisite Notices from a Member in writing proposing their appointment as Independent Directors.

INDEPENDENT AUDITOR'S REPORT

To the Members of **THE PHOENIX MILLS LIMITED**
Report on the Audit of Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of **The Phoenix Mills Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, its Profit including Other Comprehensive Income, its Cash Flows and the Statement of Changes in Equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SA") specified under Section 143(10) of the Companies Act, 2013 (the "Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matter	Response to key audit matter
<p>Revenue Recognition - License Fees & Other Operating Services</p> <p>(Refer Note '24' and para 'm' of significant accounting policies)</p> <p>Company owns High Street Phoenix Mall at Mumbai and earns revenue by giving units on licence basis. Revenue comprises of licence fees, variable licence fees, service charges, parking fees etc. These are accounted as revenue as per the revenue recognition policy described in significant account policies.</p> <p>Considering licence contracts with numerous customer having varied terms, we have identified recording of revenue as Key Audit Matter.</p>	<p>Our audit procedures to assess the appropriateness of revenue recognised included the following</p> <ul style="list-style-type: none"> • Obtaining an understanding of and assessing the design, implementation and operating effectiveness of the Company's key internal controls over revenue recognition process. • Testing a sample of contracts and testing the revenues recognised with respect thereto by agreeing information back to contract terms. • Testing the controls over the licensee's sale data collated for the purpose of recognising variable revenue on sample basis. • Assessing the adequacy of company's disclosure with respect to revenue recognised.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our Auditor's Report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act, with respect to the preparation of these Standalone Financial statements that give a true and fair view of the Financial Position, Financial Performance including Other Comprehensive Income, Cash Flows and the Statement Of Changes in Equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of the appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and fair presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objective are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

INDEPENDENT AUDITOR'S REPORT

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial statements that, individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c) The Balance Sheet, Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this report are in agreement with the books of account;

- d) In our opinion, the aforesaid Standalone Financial Statements comply with the accounting standards specified under section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015 , as amended.
- e) On the basis of written representations received from the directors as on March 31 , 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31 , 2019, from being appointed as a director in terms of section 164(2) of the Act;

INDEPENDENT AUDITOR'S REPORT

Annexure "B" To the Independent Auditor's Report On the Standalone Financial Statements Of The Phoenix Mills Limited

(Referred to in paragraph 2 (f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **The Phoenix Mills Limited** ("the Company") as of 31st March, 2019 in conjunction with our audit of the Standalone Financial Statements of the Company for the year then ended..

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide a reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of

unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2019

1) Corporate Information:

The Company is a public limited company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The registered office of the company is located at 462, Senapati Bapat Marg, Lower Parel, Mumbai - 400 013.

The Company is engaged in the development and leasing of commercial and retail space. The principal place of business is at High Street Phoenix, 462, Senapati Bapat Marg, Lower Parel, Mumbai - 400 013.

These financial statements were approved and adopted by the Board of Directors of the Company in their meeting held on 15th May, 2019.

2) Basis of preparation of financial statements:

The Financial Statements have been prepared to comply in all material aspects with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended.

With effect from 1st April, 2018, Ind AS 115 - "Revenue from Contracts with Customers" (Ind AS 115) supersedes Ind AS 18 - "Revenue recognition", Ind AS 11 - "Construction Contracts" and related Appendices. The Company has adopted Ind AS 115 using the modified retrospective approach. The application of Ind AS 115 did not have any impact on recognition and measurement principles. However, it results in additional presentation and disclosure requirements for the Company

The significant accounting policies used in preparing financial statements are set out in Note 3 of the Notes on Financial Statements and are applied consistently to all the periods presented.

3) Significant Accounting Policies:

a) Functional and presentation of currency:

The financial statements are presented in Indian Rupees, which is the Company's functional currency and all amounts are rounded to the nearest rupees in lakhs.

b) Basis of measurement:

The Financial Statements have been prepared on historical cost basis, except the following:

- Certain financial assets and liabilities which are measured at fair value.
- Defined benefit plans - plan assets measured at fair value.
- Share Based Payments measured at fair value.

c) Use of Estimates :

The preparation of the financial statements requires management to make estimates, judgements and assumptions that affect the reported balances of assets and liabilities, disclosure of contingent liabilities as on the date of financial statements and reported amounts of income and expenses during the period. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are described in Note.4. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2019

d) Property, Plant and Equipment:

Freehold land is carried at historical cost. Capital work in progress, and all other items of property, plant and equipment are stated at historical cost net of accumulated depreciation and accumulated impairment losses, if any.

Historical cost includes expenditure that is directly attributable to the acquisition of the items. Such cost includes the costs for long-term construction projects if the recognition criteria are met.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the Written down Value method to allocate their cost, net of their residual values, over their estimated useful lives as specified by Schedule II to the Companies Act; 2013. The residual values are not more than 5% of the original cost of the asset. The assets' residual values and useful lives and method of depreciation are reviewed, and adjusted if appropriate, at the end of each reporting period.

Estimated useful life of the assets are as follows:

Particulars	Estimated useful life (in years)
Building	30-60 years
Plant and Equipment	8-15 Years
Office Equipment	3-21 Years
Computers	3-6 Years
Furniture and Fixtures	5-15 Years
Vehicles	8 Years

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss.

e) Intangible assets:

Identifiable intangible assets are recognised when the Company controls the asset & it is probable that future economic benefits attributed to the asset will flow to the Company and the cost of the asset can be reliably measured.

Intangible assets acquired are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

Amortisation methods and periods

Estimated useful lives of Intangible assets are considered as 5 year Intangible assets are amortised over its useful life using the straight-line method. The amortisation period and the amortisation method for an intangible asset are reviewed at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss.

f) Impairment of Non – Financial Assets:

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing the value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

g) Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instruments of another entity. Classifications of financial instruments are in accordance with the substance of the contractual arrangement and as per the definitions of financial assets, financial liability and an equity instruments.

Financial Assets and investments

i) Initial recognition and measurement:

At initial recognition, the company measures a financial asset (other than financial asset at fair value through profit or loss) at its fair value plus or minus, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the statement of profit & loss.

ii) Subsequent recognition and measurement:

Subsequent measurement of financial asset depends on the company's business model for managing the asset and the cash flow characteristics of the asset. For the purpose of subsequent recognition and measurement financial assets are classified in four categories:

- **Debt instrument at amortised cost:**

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

- **Debt instrument at fair value through other comprehensive income (FVOCI):**

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses and interest revenue which are recognised in the statement of profit & loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

- **Debt instrument at fair value through profit and loss (FVTPL):**

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in the statement of

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2019

profit & loss and presented net in the statement of profit & loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

- **Equity instruments:**

All equity instruments are initially measured at fair value. Any subsequent fair value gain/loss is recognised through profit or loss if such investments are held for trading purposes. The fair value gains or losses of all other equity investments are recognised in Other Comprehensive Income.

- **Investment in Subsidiary and Associates:**

The company has accounted for its Investment in subsidiaries and associates at cost.

iii) **Derecognition:**

A financial asset is primarily derecognised i.e. removed from Company's financial statement when:

- The rights to receive cash flows from asset have expired, or
- The Company has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under 'pass-through' arrangement and either;

a) The Company has transferred substantially all the risks and rewards of the assets,

b) The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the company could be required to repay.

Financial Liabilities:

i) **Initial recognition and measurement:**

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

ii) **Subsequent measurement:**

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit and loss:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and has designated upon initial measurement recognition at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

Gains or losses on liabilities held for trading are recognised in the statement of profit & loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied.

iii) Financial Liabilities at amortised cost:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate (EIR) method. Gains and losses are recognised in the statement of profit & loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Derecognition:

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

h) Impairment of Financial assets:

The company assesses impairment based on expected credit losses (ECL) model to the following:

- Financial assets carried at amortised cost;
- Financial asset measured at FVOCI debt instruments.

The Company follows 'simplified approach' for recognition of impairment loss allowance on

- Trade receivables or contract revenue receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

The Company uses a provision matrix to determine impairment loss allowance on its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

For recognition of impairment loss on other financial assets and risk exposure, the company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

For assessing increase in credit risk and impairment loss, the company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2019

i) Cash and cash equivalents:

Cash and cash equivalents includes cash on hand and at bank, deposits with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

j) Foreign currency transactions:

The transactions denominated in foreign currency are recorded at the exchange rate prevailing on the date of transaction. Monetary items denominated in foreign currency at the end of year are translated using the closing rate of exchange. Non-monetary items that are to be carried at historical cost are recorded using exchange rate prevailing on the date of transaction. Non-monetary items that are to be carried at fair value are recorded using exchange rate prevailing on the date of fair value measured. Any income or expenses on account of exchange difference either on settlement or on translation is recognised in the statement of profit & loss.

k) Classification of assets and liabilities as current and non-current:

The Company presents assets and liabilities in Balance Sheet based on current/non-current classification.

An asset is classified as current when it is:

- a) Expected to be realised or intended to be sold or consumed in normal operating cycle,
- b) Held primarily for the purpose of trading,
- c) Expected to be realised within twelve months after the reporting period, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified as current when:

- a) It is expected to be settled in normal operating cycle,
- b) It is held primarily for the purpose of trading,
- c) It is due to be settled within twelve months after the reporting period, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

l) Equity share capital:

Ordinary shares are classified as equity. Incremental costs net of taxes directly attributable to the issue of new equity shares are reduced from retained earnings, net of taxes.

m) Revenue Recognition:

The company's revenue from contracts with customers is mainly from License Fees and Other Services rendered to the customers in Malls.

Revenue from license fees and other operating services

Revenue from license fees are recognised on a straight line basis over the license terms, except where the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary operating cost increases.

Revenue from operating services is recognized on satisfaction of performance obligation upon transfer of control of promised services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those services, excluding amounts collected on behalf of third parties (for example taxes and duties collected on behalf of the government). Consideration is generally due upon satisfaction of performance obligations and a receivable is recognized when it becomes unconditional. Generally, the credit period varies between 0-30 days from the delivery of services.

A contract asset (Trade receivable) is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs part of its obligation by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration when that right is conditional on the Company's future performance.

Interest income

Interest income from debt instrument is recognised using effective interest rate method. The effective interest rate is the rate that discounts estimated future cash receipts through the expected life of financial asset to the gross carrying amount of financial asset. When calculating effective interest rate, the company expects cash flows by considering all contractual terms of financial instrument but does not consider the expected credit losses.

Dividends

Dividends are recognised when the right to receive the payment is established.

n) Employees benefits:

(i) Short-term Employee benefits:

All employees' benefits payable wholly within 12 months rendering services are classified as Short Term obligations. Benefits such as salaries, wages, short term compensated absences, performance incentives, expected cost of bonus and ex-gratia are recognised during the period in which the employees renders related services.

(ii) Post-employment benefits

a. Defined Contribution Plan

The defined contribution plan is post-employment benefit plan under which the Company contributes fixed contribution to a government administered fund and will have no legal or constructive obligation to pay further contribution. The Company's defined contribution plan comprises of Provident Fund, Labour Welfare Fund and Employee State Insurance Scheme. The Company's contribution to defined contribution plans are recognised in the statement of profit & loss in the period in which the employee renders the related services.

b. Defined benefit plan

The Company has defined benefit plans comprising of gratuity. Company's obligation towards gratuity liability is funded and is managed by Life Insurance Corporation of India (LIC). The present value of the defined benefit obligations is determined based on actuarial valuation using the projected unit credit method. The rate used to discount defined benefit obligation is determined by reference to market yields at the Balance Sheet date on Indian Government Bonds for the estimated term of obligations.

Re-measurements comprising of (a) actuarial gains and losses, (b) the effect of the asset ceiling (excluding amounts included in net interest on the net defined benefit liability) and (c) the return on plan assets (excluding amounts included in net interest on the net defined benefit liability) are recognised immediately in the balance sheet with a corresponding debit or credit to other

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2019

comprehensive income in the period in which they occur. Re-measurements are not reclassified to the statement of profit & loss in subsequent periods.

The expected return on plan assets is the Company's expectation of average long-term rate of return on the investment of the fund over the entire life of the related obligation. Plan assets are measured at fair value as at the Balance Sheet date.

The interest cost on defined benefit obligation and expected return on plan assets is recognised under Employee Benefit Expense.

Gains or losses on the curtailment or settlement of defined benefit plan are recognised when the curtailment or settlement occurs.

(iii) Other long-term benefits

The Company has other long-term benefits in the form of leave benefits. The present value of the other long term employee benefits is determined based on actuarial valuation using the projected unit credit method. The rate used to discount defined benefit obligation is determined by reference to market yields at the Balance Sheet date on Indian Government Bonds for the estimated term of obligations.

Actuarial gains or losses arising on account of experience adjustment and the effect of changes in actuarial assumptions are recognised immediately in the statement of profit & loss as income or expense.

Gains or losses on the curtailment or settlement of other long-term benefits are recognised when the curtailment or settlement occurs.

(iv) Share-based payments

Share-based compensation benefits are provided to employees of the group via Employee Stock Option Plan of The Phoenix Mills Limited.

The fair value of options granted under the Employee Option Plan is recognised as an employee benefits expense with a corresponding increase in equity. The total amount to be expensed is determined by reference to the fair value of the options granted:

- including any market performance conditions (e.g., the entity's share price)
- excluding the impact of any service and non-market performance vesting conditions (e.g. profitability, sales growth targets and remaining an employee of the entity over a specified time period), and
- Including the impact of any non-vesting conditions (e.g. the requirement for employees to save or hold shares for a specific period of time).

The total expense, other than in respect of options granted to employees of group companies, is recognised over the vesting period, which is the period over which all of the specified vesting conditions are to be satisfied. The cost of options granted to employees of group companies is debited to the cost of the investment of the respective companies. At the end of each period, the company revises its estimates of the number of options that are expected to vest based on the non-market vesting and service conditions. It recognises the impact of the revision to original estimates, if any, in the statement of profit & loss / Investment, with a corresponding adjustment to other equity.

o) Borrowing Cost:

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for such capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

Borrowing costs consist of interest and other costs that are incurred in connection with the borrowing of funds.

p) Income Taxes:

Current Income Tax:

Current Income Tax liabilities are measured at the amount expected to be paid to the taxation authorities using the tax rates and tax laws that are enacted or subsequently enacted at the end of the reporting period. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and creates provisions where appropriate

Deferred Tax:

Deferred Tax is provided, using the Balance sheet approach, on temporary differences between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred Tax is determined using the tax rates and tax laws that are enacted or subsequently enacted at the end of the reporting period.

Deferred Tax liabilities are recognised for all temporary differences. Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets against current tax liabilities and the deferred tax balances relate to the same taxation authority. Current tax asset and liabilities are offset where the company has a legally enforceable right and intends either to settle on net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the statement of profit & loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, to the extent it would be available for set off against future current income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

q) Provisions and contingencies:

Provisions are recognised when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using the government securities' interest rate for the equivalent period. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate. Provisions are not recognised for future operating losses.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the notes to

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2019

the financial statements. Contingent assets are not recognised. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

r) Earnings per share:

Basic earnings per share is calculated by dividing the net profit or loss (after tax) for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is calculated by dividing the net profit or loss (after tax) for the year attributable to equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

4. Use of significant accounting estimates, judgments and assumptions

In the process of applying the Company's accounting policies, management has made the following estimates and judgements, which have significant effect on the amounts recognised in the financial statements:

(a) Depreciation and useful lives of Property, Plant and Equipment

Property, plant and equipment are depreciated over the estimated useful lives of the assets, after taking into account their estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation for future periods is adjusted if there are significant changes from previous estimates.

(b) Investment Property

Management has assessed applicability of Ind AS 40- Investment property to the property held to earn income from licensee fees. In assessing such applicability, management has considered the ownership of assets, terms of license agreement, various services provided to the licensee etc. The Company considers these other services as significant in addition to the License fees charged. Based on such assessment, the management has considered the mall property as owner-occupied property and hence classified as Property, Plant & Equipment.

(c) Recoverability of trade receivables

Judgments are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. The Company uses a provision matrix to determine impairment loss allowance on its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

(d) Defined Benefit plans

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(e) Provisions:

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability require the application of judgement to existing facts and circumstances, which can be subject to change. Since the cash outflows

can take place many years in the future, the carrying amounts of provisions and liabilities are reviewed regularly and adjusted to take account of changing facts and circumstances.

(f) Impairment of financial assets:

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

(g) Fair Value measurement:

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques, including the discounted cash flow model, which involve various judgments and assumptions.

5. Standards Issued but not effective

On 30th March, 2019, the Ministry of Corporate Affairs (MCA) has notified Ind AS 116 – Leases and certain amendment to existing Ind AS. These amendments shall be applicable to the Group from 1st April, 2019.

A. ISSUE OF IND AS 116 - LEASES

Ind AS 116 will replace the existing leasing standard i.e. Ind AS 17 and related interpretations. Ind AS 116 introduces a single lessee accounting model and requires lessee to recognize assets and liabilities for all leases with non-cancellable period of more than twelve months except for low value assets. Ind AS 116 substantially carries forward the lessor accounting requirement in Ind AS 17.

B. AMENDMENT TO EXISTING STANDARD

The MCA has also carried out amendments of the following accounting standards:

- i. Ind AS 101- First time adoption of Indian Accounting Standards
- ii. Ind AS 103 – Business Combinations
- iii. Ind AS 109 - Financial Instruments
- iv. Ind AS 111 – Joint Arrangements
- v. Ind AS 12 – Income Taxes
- vi. Ind AS 19 – Employee Benefits
- vii. Ind AS 23 – Borrowing Costs
- viii. Ind AS 28 - Investment in Associates and Joint Ventures

Application of above standards are not expected to have any significant impact on the financial statements.

Employer's Contribution to Provident and Pension Fund ` 29.50 Lakhs (PY ` 29.67 Lakhs).
Employer's Contribution to ESIC ` 0.66 Lakhs (PY ` 1.09 Lakhs)

The Company makes contributions towards provident fund and pension fund for qualifying employees to the Regional Provident Fund Commissioner.

(B) Expenses recognised Defined Benefit Plan:

The company provides gratuity benefit to it's employees which is a defined benefit plan. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation for leave encashment is recognised in the same manner as gratuity.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2019

These gratuity plan typically expose the Company to actuarial risks such as: investment risk, interest risk, longevity risk and salary risk.

Investment Risk:

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. For other defined benefit plans, the discount rate is determined by reference to market yield at the end of reporting period on high quality corporate bonds when there is a deep market for such bonds; if the return on plan asset is below this rate, it will create a plan deficit.

Interest risk

A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan debt investments.

Longevity risk

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk

The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Fair valuation techniques:

The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available.

The following methods and assumptions were used to estimate the fair values

- 1 Fair value of the Equity Shares are based on price quoted on stock exchange.
- 2 Fair value of unquoted equity shares and CCD's is taken at net asset value.
- 3 Fair value of Long term Borrowings is calculated based on discounted cash flow.
- 4 Fair value of Financial Assets & Financial Liability(except Long term Borrowings) are carried at amortised cost and is not materially different from it's carrying cost.

B) Fair Value hierarchy:

The following table provides the fair value measurement hierarchy of Company's asset and liabilities, grouped into Level 1 to Level 3 as described below:

Level 1: Quoted prices / published NAV (unadjusted) in active markets for identical assets or liabilities. It includes fair value of financial instruments traded in active markets and are based on quoted market prices at the balance sheet date.

Level 2: Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices). Fair value of the financial instruments that are not traded in an active market is determined by using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on the company specific estimates. If all significant inputs required to fair value an instrument are observable then instrument is included in level 2

Level 3: Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs). If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

48. Financial risk Management:

The Company's activities expose it to credit risk, liquidity risk and market risk. This note explains the sources of risks which the entity is exposed to and how it mitigates that risk.

- Market risk:**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings and investments in securities.

Foreign currency risk

The Company is exposed to insignificant foreign exchange risk as at the respective reporting dates.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk pertaining to funds borrowed at floating interest rates.

Almost 100% of the company's borrowings are linked to BR + Margin. With all other variables held constant, the following table demonstrates the impact of change in interest rate on borrowing cost on floating rate portion of loans.

Increase/ (decrease) in Interest cost of Long term borrowings for the year:

Change in Rate of Interest	Effect on Profit/(Loss) before tax	
	2018-19	2017-18
+1%/-1%	778.38	717.44

Commodity and Other price risk

The Company is not exposed to the commodity and other price risk.

- **Credit Risk**

Credit risk is the risk of financial loss to the Company that a customer or counter party to a financial instrument fails to meet its obligations. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks, mutual funds, financial institutions and other financial instruments.

Trade and other receivables:

The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for extension of credit to customers. To manage credit risk, the Company periodically assesses the financial reliability of the customer, taking into account the financial condition, current economic trends, and analysis of historical bad debts and aging of accounts receivables. Outstanding customer receivables are regularly monitored to make an assessment of recoverability. Receivables are provided as doubtful / written off, when there is no reasonable expectation of recovery. Where receivables have been provided / written off, the Company continues regular followup, engage with the customers, legal options / any other remedies available with the objective of recovering these outstandings.

The Company is not exposed to concentration of credit risk to any one single customer since services are provided to vast spectrum. The Company also takes security deposits, advances, post dated cheques etc from its customers, which mitigate the credit risk to an extent.

Cash and cash equivalents and other investments

The Company is exposed to counter party risk relating to medium term deposits with banks. The Company considers factors such as track record, size of the institution, market reputation and service standards to select the banks with which balances and deposits are maintained. Generally, the balances are maintained with the institutions with which the Company has also availed borrowings.

Exposure to credit risk

The gross carrying amount of financial assets, net of impairment losses recognised represents the maximum credit exposure. The maximum exposure to credit risk as at 31st March, 2019 and 31st March, 2018 is as follows:

- Liquidity risk**

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company relies on a mix of borrowings, capital infusion and excess operating cash flows to meet its needs for funds. The current borrowings are sufficient to meet its short to medium term expansion needs. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

The Company is required to maintain ratios (such as debt service coverage ratio and secured coverage ratio) as mentioned in the loan agreements at specified levels and also cash deposits with banks to mitigate the risk of default in repayments. In the event of any failure to meet these covenants, these loans become callable to the extent of failure at the option of lenders, except where exemption is provided by lender.

B. Measurement of fair values**i. Equity-settled share-based payment arrangements**

The fair value of the employee share options has been measured using the Black-Scholes formula. Service and non-market performance conditions attached to the arrangements were not taken into account in measuring fair value.

The requirement that the employee has to save in order to purchase shares under the share purchase plan has been incorporated into the fair value at grant date by applying a discount to the valuation obtained. The discount has been determined by estimating the probability that the employee will stop saving based on historical behavior.

INDEPENDENT AUDITOR'S REPORT

To the Members of **THE PHOENIX MILLS LIMITED**
Report on the Audit of Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **THE PHOENIX MILLS LIMITED** ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and its Associates comprising the Consolidated Balance Sheet as at 31st March, 2019, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with accounting principles generally accepted in India, of the state of affairs of the Group as at March 31, 2019, of its consolidated profit and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matter	Response to key audit matter
<p>Revenue Recognition - License Fees & Other Operating Services</p> <p>(Refer Note '28' and Para '3.13' of significant accounting policies)</p> <p>Company owns Malls at various locations and earns revenue by giving units on licence basis. Revenue comprises of licence fees, variable licence fees, service charges, parking fees etc. These are accounted as revenue as per the revenue recognition policy described in significant account policies.</p> <p>Considering licence contracts with numerous customers having varied terms, we have identified recording of revenue as Key Audit Matter.</p>	<p>Audit procedures to assess the appropriateness of revenue recognised included the following</p> <ul style="list-style-type: none"> • Obtaining an understanding of and assessing the design, implementation and operating effectiveness of the Company's key internal controls over revenue recognition process. • Testing a sample of contracts and testing the revenues recognised with respect thereto by agreeing information back to contract terms. • Testing the controls over the licensee's sale data collated for the purpose of recognising variable revenue on sample basis. • Assessing the adequacy of company's disclosure with respect to revenue recognised.

Revenue Recognition: Property Development
(Refer Note '28', '61A' and Para '3.13' of significant
accounting policies)

The auditors of Palladium Constructions Private Limited, subsidiary company, have reported application of Ind AS 115 to real estate development contracts under progress as Key Audit Matter. Subsidiary company has applied the modified retrospective approach in accordance with Ind AS 115 only to contracts that are not completed contracts as on 1st April, 2018. This transitional adjustment of ₹ 11323.26 Lakhs has been adjusted against opening Retained Earnings as per the requirements of Ind AS 115.

There is a risk that all the incomplete contracts as on 1st April, 2018 were not considered in applying the transitional provisions of Ind AS 115 due to which the adjustment to the opening Retained Earnings is misstated.

The application of the new revenue accounting standard involves certain key judgments relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognized at a point in time or over a period of time.

Principal Audit procedures:

- Assessed the Company's process to identify the impact of adoption of the new Revenue Accounting Standard. Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows:
- Evaluated the design of the internal controls relating to implementation of the new revenue accounting standard.
- Obtained listing of all the contracts as on 31st March, 2018. Identified the contracts that are not completed contracts for which handover of units not done and/or occupancy certificate not received as on 31st March, 2018. For such identified contracts, verified on a test check basis the consideration received, cost incurred and revenue recognized to verify the adjustment to the opening Retained Earnings as on 1st April, 2018.
- Selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price.
- Selected a sample of continuing and new contracts and performed the following procedures:
- Read, analysed and identified the distinct performance obligations in these contracts.
- Compared these performance obligations with that identified and recorded by the Company.
- Verified the progress towards satisfaction of performance obligations used to compute recorded revenue with contractual obligations, necessary approvals pertaining to the completion of the project, third party certifications and the collectability of an amount of consideration.
- Performed project wise analytical procedures for reasonableness of revenues.

Inventory:
(Refer Note '12' and Para '3.9' of significant accounting
policies)

The auditors of Palladium Constructions Private Limited, subsidiary company, have reported that There is a risk that the valuation of inventory may be misstated as it involves the determination of net realizable value (NRV) and estimated total construction cost of completion of each of the projects which is an area of judgement.

Principal Audit procedures:

- Assessed the Company's process for the valuation of inventories. Audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows:
- Evaluated the design of the internal controls relating to the valuation of inventories.
- Tested the operating effectiveness of controls for the review of estimates involved for the expected cost of completion of projects including construction cost incurred, construction budgets and net realizable value. We carried out a combination of procedures involving enquiry and observation, and inspection of evidence in respect of operation of these controls.

INDEPENDENT AUDITOR'S REPORT

IT system:

The auditors of Pallazzio Hotels & Leisure Limited, subsidiary company, have reported transition of accounting for hotel operations to new system as Key Audit Matter. This transition lead to following:

- Changes in data flow and integration with multiple operating software
- New Chart of accounts and mapping with the transactions with ledger accounts
- Changes in work flow and design of internal control systems
- Creation of new masters and transition of data from old software to the new software

The transition to the system environment introduces risks related to system access, change management and data transfer between the different systems, and we have accordingly designated this as a key audit matter.

Management has mitigated this risk by means of manual controls.

Principal Audit Procedures:

- Reviewed the process followed for transition from the old software to the new software.
- Reviewed the design and adequacy of the internal financial controls.
- Performed test on reconciliation of data from operating systems to the new accounting software.
- Compared to the old mapping of the ledger accounts with the new mapping to ensure consistency and comparability of the data
- Tested the company's controls around system interfaces, and the transfer of data from one system to another. This includes verification of opening balances and review of masters
- Reviewed the alternate controls/ manual controls deployed by the management to mitigate the risk during the transition phase.

Information Other than the Consolidated Financial Statements and Auditor's Report

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the company's Annual Report but does not include the Consolidated Financial Statements and auditor's report thereon. The Annual Report is expected to be made available to us after the date of this audit report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit/loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. The respective Board of Directors of the entities included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each entity and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of the entities included in the Group are responsible for assessing the ability of each entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group is responsible for overseeing the financial reporting process of each entity.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

INDEPENDENT AUDITOR'S REPORT

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

INDEPENDENT AUDITOR'S REPORT

“Annexure A” to Independent Auditors’ Report referred of even date on the Consolidated Financial Statements.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the Internal Financial Controls over financial reporting of The Phoenix Mills Limited (hereinafter referred to as (“the Holding”) and its subsidiary companies (the Holding Company and its subsidiaries together referred to as “the Group”) and its associate companies, which are companies incorporated in India as of 31st March, 2019 in conjunction with our audit of the consolidated financial statements of the Company for the year then ended.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its subsidiary companies and its associate companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting of the holding and its subsidiaries companies. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial controls over financial reporting includes those policies and procedures that pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company, provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company;

and provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its subsidiary companies and its associate companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2019, based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI

Other Matters

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting, in so far as it relates to separate financial statements of 25 subsidiaries and 3 associates, which are companies incorporated in India, is based on the corresponding reports of the auditors of such subsidiaries and associates.

CONSOLIDATED NOTES ON FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2019

1) Corporate Information:

The Phoenix Mills Ltd (“PML” or “Parent”) is domiciled and incorporated in India and its shares are publicly traded on the National Stock Exchange (‘NSE’) and the Bombay Stock Exchange (‘BSE’), in India. The registered office of the company is at 462 Senapati Bapat Marg, Lower Parel, Mumbai – 400013, Maharashtra, India.

Group is engaged in operation and management of mall, construction of commercial and residential property and hotel business in India.

These financial statements were approved and adopted by the Board of Directors of the Company in their meeting dated 15th May, 2019.

2) Basis of preparation of financial statements:

The Financial Statements have been prepared to comply in all material aspects with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended.

The significant accounting policies used in preparing financial statements are set out in Note 3 of the Notes on Financial Statements and are applied consistently to all the periods presented.

3) Significant Accounting Policies:

3.1. Basis of Measurement

The consolidated financial statements have been prepared on an accrual basis and under the historical cost convention except following which have been measured at fair value:

- Defined benefit plans – plan assets measured at fair value
- Certain financial assets and liabilities that is measured at fair value.
- Share based payments measured at fair value

The consolidated financial statements are presented in Indian Rupees (“in lakhs”), which is the Group’s functional currency and all amounts are rounded to the nearest rupees in lakhs

3.2. Basis of consolidation

The consolidated financial statements of the Group incorporate the financial statements of the Parent Company and its subsidiaries and associates. The Parent Company has control over the subsidiaries as it is exposed, or has rights, to variable returns from its involvement with the investee; and has the ability to affect its returns through its power over the subsidiaries. Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including the contractual arrangement with the other vote holders of the investee, rights arising from other contractual arrangements, the Group’s voting rights and potential voting rights and the size of the Group’s holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders. The Company re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control.

An associate is an entity over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee, but has no control or joint control over those policies.

CONSOLIDATED NOTES ON FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2019

Consolidation Procedure:

- a) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognised in the consolidated financial statements at the acquisition date.
- b) Consolidation of a subsidiary begins when the Parent Company obtains control over the subsidiary and ceases when the Parent Company loses control of the subsidiary. Specifically, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated statement of profit or loss and other comprehensive income from the date the Parent Company gains control until the date when the Parent Company ceases to control the subsidiary.
- c) Profit or loss and each component of other comprehensive income are attributed to the owners of the Parent Company and to the non-controlling interests. Total comprehensive income of subsidiaries is attributed to the owners of the Parent Company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.
- d) Adjustments are made to the financial statements of subsidiaries, as and when necessary, to bring their accounting policies into line with the Group's accounting policies.
- e) All intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.
- f) Carrying amount of the Parent's investment in each subsidiary and the Parent's portion of equity are eliminated. Business combinations policy explains how the related goodwill is accounted at the time of acquisition of subsidiary.
- g) Changes in the Group's ownership interests in subsidiaries that do not result in the Group losing control over the subsidiaries are accounted for as equity transactions. The carrying amounts of the Group's interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Parent Company.
- h) Investment in Associates has been accounted under the equity method as per Ind AS 28 - Investments in Associates and Joint Ventures. The Company accounts for its share of post acquisition changes in net assets of associates, after eliminating unrealised profits and losses resulting from transactions between the Company and its associates to the extent of its share, through its Consolidated Statement of Profit and Loss, to the extent such change is attributable to the associates' Statement of Profit and Loss and through its reserves for the balance based on available information.

3.3. Business Combinations

The acquisitions of businesses are accounted for using the acquisition method. The cost of the acquisition is measured at the aggregate of the fair values at the date of exchange of assets given, liabilities incurred or assumed and equity instruments issued by the Group in exchange for control of the acquiree. The acquiree's identifiable assets, liabilities and contingent liabilities that meet the condition for recognition are recognized at their fair values at the acquisition date except certain assets and liabilities required to be measured as per the applicable standard. Goodwill arising on acquisition is recognized as an asset and initially measured at cost, being the excess of the cost of the business combination over the Group's interest in the net fair value of the identifiable assets acquired, liabilities recognized and contingent liabilities assumed. In the case of bargain purchase, resultant gain is recognized in other comprehensive income on the acquisition date and accumulated to capital reserve in equity. The interest of non-controlling shareholders in the acquiree is initially measured at the non-controlling shareholders proportionate share of the acquiree's identifiable net assets.

3.4. Property, Plant and Equipment

Freehold land is carried at historical cost. Capital work in progress, and all other items of property, plant and equipment are stated at historical cost net of accumulated depreciation and accumulated impairment losses, if any.

Historical cost includes expenditure that is directly attributable to the acquisition of the items. Such cost includes the costs for long-term construction projects if the recognition criteria are met.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives and residual value

Leasehold land is amortized over the period of lease. Depreciation on other fixed assets (excluding land and lease land in perpetuity) is provided on written down value method as per the useful life specified in schedule II to the Companies Act, 2013, in the manner state therein. The residual values are not more than 5% of the original cost of the asset. The assets' residual values and useful lives and method of depreciation are reviewed, and adjusted if appropriate, at the end of each reporting period. In some of the Subsidiaries, the Depreciation is provided on the straight line method as per the useful life specified in schedule II to the Companies Act, 2013, in the manner state therein.

High end operating supplies acquired prior to commencement of the hotel operations and opening of new restaurants / outlets are considered as a part of fixed assets and are depreciated over a period of three years on straight line method.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the statement of profit or loss.

3.5. Intangible Assets

Identifiable intangible assets are recognized a) when the Group controls the asset, b) it is probable that future economic benefits attributed to the asset will flow to the Group and c) the cost of the asset can be reliably measured.

Intangible Assets comprising Computer software, License & Franchise and acquired goodwill are amortised over the period not exceeding five years on straight line basis. The assets' useful lives are reviewed at each financial year end.

3.6. Financial Instrument:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instruments of another entity. Classifications of financial instruments are in accordance with the substance of the contractual arrangement and as per the definitions of financial assets, financial liability and an equity instruments.

Financial Assets and investments

i) Initial recognition and measurement:

At initial recognition, the group measures a financial asset (other than financial asset at fair value through profit or loss) at its fair value plus or minus, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the statement of profit & loss.

CONSOLIDATED NOTES ON FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2019

ii) Subsequent recognition and measurement:

Subsequent measurement of financial asset depends on the group's business model for managing the asset and the cash flow characteristics of the asset. For the purpose of subsequent recognition and measurement financial assets are classified in four categories:

- **Debt instrument at amortised cost:**

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

- **Debt instrument at fair value through other comprehensive income (FVOCI):**

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses and interest revenue which are recognised in the statement of profit & loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

- **Debt instrument at fair value through profit and loss (FVTPL):**

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in the statement of profit & loss and presented net in the statement of profit & loss within other gains/ (losses) in the period in which it arises. Interest income from these financial assets is included in other income.

- **Equity instruments:**

All equity instruments other than in associates are initially measured at fair value. Any subsequent fair value gain /loss is recognised through profit or loss if such investments are held for trading purposes. The fair value gains or losses of all other equity investments are recognised in Other Comprehensive Income.

- **Investment in Associates:**

The Group has accounted for its Investment in associates at cost

iii) Derecognition:

A financial asset is primarily derecognised i.e. removed from Group's financial statements when:

- The rights to receive cash flows from asset have expired, or
- The Group has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under 'pass-through' arrangement and either;

- a) The Group has transferred substantially all the risks and rewards of the assets,
- b) The Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has

retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognise the transferred asset to the extent of the Group's continuing involvement. In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the group could be required to repay.

iv) Trade receivables:

A receivable is classified as a 'trade receivable' if it is in respect to the amount due from customers on account of goods sold or services rendered in the ordinary course of business. Trade receivables are recognised initially at fair value and subsequently measured at fair value less provision for impairment. For some trade receivables, the Group may obtain security in the form of security deposit which can be called upon if the counterparty is in default under the terms of the agreement

Financial Liabilities:

i) Initial recognition and measurement:

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

ii) Subsequent measurement:

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit and loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and has designated upon initial measurement recognition at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

Gains or losses on liabilities held for trading are recognised in the statement of profit & loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied.

iii) Loans and Borrowings:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate (EIR) method. Gains and losses are recognised in the statement of profit & loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

iv) Trade and other payables:

These amounts represent liabilities for goods and services provided to the group prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

CONSOLIDATED NOTES ON FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2019

v) Derecognition:

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

3.7. Impairment of Assets

An asset is considered as impaired when at the date of Balance Sheet there are indications of impairment and the carrying amount of the asset, or where applicable the cash generating unit to which the asset belongs exceeds its recoverable amount (i.e. the higher of the net asset selling price and value in use).

Impairment of Goodwill

For the purposes of impairment testing, goodwill is allocated to each of the Group's cash-generating units (or groups of cash generating units) that is expected to benefit from the synergies of the combination.

A cash-generating unit to which goodwill has been allocated is tested for impairment annually, or when there is an indication that the unit may be impaired. The recoverable amount of cash generating unit is determined for each legal entity based on a value in use calculation which uses cash flow projections and appropriate discount rate is applied. The discount rate takes into account the expected rate of return to shareholders, the risk of achieving the business projections, risks specific to the investments and other factors. If the recoverable amount of the cash-generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised directly in profit or loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

On disposal of the relevant cash-generating unit, the attributable amount of goodwill is included in the determination of the profit or loss on disposal.

Impairment of Non – Financial Asset:

The Group assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing the value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

Impairment of Financial asset:

The Group assesses impairment based on expected credit losses (ECL) model to the following:

- Financial assets carried at amortised cost;
- Financial asset measured at FVOCI debt instruments.

The Group follows 'simplified approach' for recognition of impairment loss allowance on

- Trade receivables or contract revenue receivables.

The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

The Group uses a provision matrix to determine impairment loss allowance on its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

For recognition of impairment loss on other financial assets and risk exposure, the company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

For assessing increase in credit risk and impairment loss, the group combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

3.8. Cash and cash equivalents

Cash and cash equivalents includes cash on hand and at bank, deposits with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

3.9. Inventories

Inventories are valued at lower of cost or net realisable value. Cost is determined on FIFO basis.

Cost of realty construction / development includes all costs directly related to the project and other expenditure as identified by the management which are incurred for the purpose of executing and securing the completion of the Project (net off incidental recoveries/receipts).

Stock of food, beverages, stores and operating supplies are valued at lower of cost (computed on weighted average basis) and net realizable value.

Cost of inventories also includes all other costs incurred in bringing the inventories to their present location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

3.10. Foreign currency transactions:

The transactions denominated in foreign currency are recorded at the exchange rate prevailing on the date of transaction. Monetary items denominated in foreign currency at the end of year are translated using the closing rate of exchange. Non- monetary items that are to be carried at historical cost are recorded using exchange rate prevailing on the date of transaction. Non- monetary items that are to

CONSOLIDATED NOTES ON FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2019

be carried at fair value are recorded using exchange rate prevailing on the date of fair value measured. Any income or expenses on account of exchange difference either on settlement or on translation is recognised in the statement of profit or loss, except in respect of long term foreign currency monetary items which are outstanding as on transition date, where the group has availed the optional exemption under Ind AS 101 for capitalization of exchange difference to the cost of property, plant & equipment and intangible assets.

3.11. Classification of assets and liabilities as current and non – current:

The Group presents assets and liabilities in Balance Sheet based on current/non-current classification.

An asset is classified as current when it is:

- a) Expected to be realised or intended to be sold or consumed in normal operating cycle,
- b) Held primarily for the purpose of trading,
- c) Expected to be realised within twelve months after the reporting period, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified as current when:

- a) It is expected to be settled in normal operating cycle,
- b) It is held primarily for the purpose of trading,
- c) It is due to be settled within twelve months after the reporting period, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

3.12. Equity share capital

Ordinary shares are classified as equity. Incremental costs net of taxes directly attributable to the issue of new equity shares are reduced from retained earnings, net of taxes.

3.13. Revenue recognition

Revenue is recognised to the extent that it is probable that the future economic benefits will flow to the entity and it can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Revenue from license fees and other operating services

Revenue from license fees are recognised on a straight line basis over the license terms, except where the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary operating cost increases.

Revenue from operating services is recognized on satisfaction of performance obligation upon transfer of control of promised services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those services, excluding amounts collected on behalf of third parties (for example taxes and duties collected on behalf of the government). Consideration is generally

due upon satisfaction of performance obligations and a receivable is recognized when it becomes unconditional. Generally, the credit period varies between 0-30 days from the delivery of services.

Revenue from sale of properties

The Company develops and sells residential properties. Revenue from contracts is recognised when control over the property has been transferred to the customer. Therefore, revenue is recognised at a point in time when the legal title has passed to the customer and the development of the property is completed. The revenue is measured at the transaction price agreed under the contract.

The Company invoices the customers for construction contracts based on achieving performance-related milestones

For the periods ended on or before March 31, 2018, the revenue from the property development activities is recognised based on the 'Percentage of completion method' (POC) when the outcome of the contract can be estimated reliably upon fulfillment as under:

Revenue from sale of properties under construction is recognised on the basis of percentage of completion method subject to transfer of significant risk and rewards to the buyer and outcome of real estate project can be estimated reliably. Percentage of completion is determined with reference to the project cost incurred on balance sheet date versus total estimated project cost determined based upon the judgement of management. Accordingly, cost of construction/ development is charged to Statement of Profit and Loss in proportion to the revenue recognised during the year and balance costs are carried as part of 'Project Work in Progress' under inventories. Accounts receivable/ received are reflected as Debtors/advance from customers, respectively, after considering income recognised in the aforesaid manner. The estimates of saleable area and costs are revised periodically by the management and that are considered as change in estimate accordingly, the effect of such changes to estimates is recognised in the year such changes are determined.

Revenue from hotel component of sale of rooms, foods and beverages

Revenue from hotel component of sale of rooms, banquets, foods and beverages, allied services relating to hotel operations are recognized upon rendering of the services. Sales and services are recorded inclusive of excise duty (wherever applicable) and net of sales tax, service tax and luxury tax. Revenue yet to be billed is recognised as unbilled revenue. Initial non-refundable membership fee is recognised as income over the period of validity of membership which reflects the expected utilization of membership benefits. Annual membership fees are recognised as income on time proportion basis. Contribution to customer loyalty programs calculated as per agreed percentages of qualifying revenues are accounted on accrual basis and the same is reduced from the revenue.

A contract asset (Trade receivable) is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs part of its obligation by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration when that right is conditional on the Company's future performance.

Interest income

Interest income from debt instrument is recognised using effective interest rate method. The effective interest rate is the rate that discounts estimated future cash receipts through the expected life of financial asset to the gross carrying amount of financial asset. When calculating effective interest rate, the company expects cash flows by considering all contractual terms of financial instrument but does not consider the expected credit losses.

Dividends

Dividends are recognised when the right to receive the payment is established.

CONSOLIDATED NOTES ON FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2019

3.14. Borrowing Costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for such capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

Borrowing costs consist of interest and other costs that are incurred in connection with the borrowing of funds.

3.15. Employee Benefits

- (i) Short-term Employee benefits:

All employees' benefits payable wholly within 12 months rendering services are classified as Short Term obligations. Benefits such as salaries, wages, short term compensated absences, performance incentives, expected cost of bonus and ex-gratia are recognised during the period in which the employees renders related services.

- (ii) Post-employment benefits

- a. Defined Contribution Plan

The defined contribution plan is post-employment benefit plan under which the Group contributes fixed contribution to a government administered fund and will have no legal or constructive obligation to pay further contribution. The Group's defined contribution plan comprises of Provident Fund, Labour Welfare Fund and Employee State Insurance Scheme. The Group's contribution to defined contribution plans are recognised in the statement of profit & loss in the period in which the employee renders the related services.

- b. Defined benefit plan

The Group has defined benefit plans comprising of gratuity. Group's obligation towards gratuity liability is funded and is managed by Life Insurance Corporation of India (LIC). The present value of the defined benefit obligations is determined based on actuarial valuation using the projected unit credit method. The rate used to discount defined benefit obligation is determined by reference to market yields at the Balance Sheet date on Indian Government Bonds for the estimated term of obligations.

Re-measurements comprising of (a) actuarial gains and losses, (b) the effect of the asset ceiling (excluding amounts included in net interest on the net defined benefit liability) and (c) the return on plan assets (excluding amounts included in net interest on the net defined benefit liability) are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Re-measurements are not reclassified to the statement of profit & loss in subsequent periods.

The expected return on plan assets is the Group's expectation of average long-term rate of return on the investment of the fund over the entire life of the related obligation. Plan assets are measured at fair value as at the Balance Sheet date.

The interest cost on defined benefit obligation and expected return on plan assets is recognised under employee benefit expense.

Gains or losses on the curtailment or settlement of defined benefit plan are recognised when the curtailment or settlement occurs.

(iii) Other long-term benefits

The Group's employees have other long-term benefits in the form of leave benefits. The present value of the other long term employee benefits is determined based on actuarial valuation using the projected unit credit method. The rate used to discount defined benefit obligation is determined by reference to market yields at the Balance Sheet date on Indian Government Bonds for the estimated term of obligations

Actuarial gains or losses arising on account of experience adjustment and the effect of changes in actuarial assumptions are recognised immediately in the statement of profit & loss as income or expense.

Gains or losses on the curtailment or settlement of other long-term benefits are recognised when the curtailment or settlement occurs.

(iv) Share-based payments

The fair value of options granted under the Employee Option Plan is recognised as an employee benefits expense with a corresponding increase in equity. The total amount to be expensed is determined by reference to the fair value of the options granted:

- including any market performance conditions (e.g., the entity's share price)
- excluding the impact of any service and non-market performance vesting conditions (e.g. profitability, sales growth targets and remaining an employee of the entity over a specified time period), and
- Including the impact of any non-vesting conditions (e.g. the requirement for employees to save or holdings shares for a specific period of time).

The total expense is recognised over the vesting period, which is the period over which all of the specified vesting conditions are to be satisfied. At the end of each period, the group revises its estimates of the number of options that are expected to vest based on the non-market vesting and service conditions. It recognises the impact of the revision to original estimates, if any, in the statement of profit & loss, with a corresponding adjustment to other equity.

3.16. Income Taxes:

Current Income Tax:

Current Income Tax liabilities are measured at the amount expected to be paid to the taxation authorities using the tax rates and tax laws that are enacted or subsequently enacted at the end of the reporting period. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and creates provisions where appropriate

Deferred Tax:

Deferred Tax is provided, using the Balance sheet approach, on temporary differences between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred Tax is determined using the tax rates and tax laws that are enacted or subsequently enacted at the end of the reporting period.

Deferred Tax liabilities are recognised for all temporary differences. Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

CONSOLIDATED NOTES ON FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2019

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets against current tax liabilities and the deferred tax balances relate to the same taxation authority. Current tax asset and liabilities are offset where the company has a legally enforceable right and intends either to settle on net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the statement of profit & loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, to the extent it would be available for set off against future current income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

3.17. Provisions and contingencies

Provisions are recognised when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using the government securities' interest rate for the equivalent period. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate. Provisions are not recognised for future operating losses.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the notes to the financial statements. Contingent assets are not recognised. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

3.18. Earnings per share:

Basic earnings per share is calculated by dividing the net profit or loss (after tax) for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is calculated by dividing the net profit or loss (after tax) for the year attributable to equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

4. Use of significant accounting estimates, judgments and assumptions

In the process of applying the Group's accounting policies, management has made the following estimates and judgements, which have significant effect on the amounts recognised in the financial statements:

(a) Depreciation and useful lives of Property, Plant and Equipment

Property, plant and equipment are depreciated over the estimated useful lives of the assets, after taking into account their estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation to be recorded during any reporting period. The useful lives and residual values are based on the Group's historical experience with similar assets and take into account anticipated technological changes. The depreciation for future periods is adjusted if there are significant changes from previous estimates.

(b) Investment Property

Management has assessed applicability of Ind AS 40- Investment property to the property held to earn income from licensee fees. In assessing such applicability, management has considered the ownership of assets, terms of license agreement, various services provided to the licensee etc. The Group considers these other services as significant in addition to the License fees charged. Based on such assessment, the management has considered the mall property as owner-occupied property and hence classified as Property, Plant & Equipment.

(c) Recoverability of trade receivables

Judgments are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. The Group uses a provision matrix to determine impairment loss allowance on its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

(d) Defined Benefit plans

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(e) Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability require the application of judgement to existing facts and circumstances, which can be subject to change. Since the cash outflows can take place many years in the future, the carrying amounts of provisions and liabilities are reviewed regularly and adjusted to take account of changing facts and circumstances.

(f) Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Group uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on Group's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

Estimates and judgments are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Group and that are believed to be reasonable under the circumstances. They are continuously evaluated.

(g) Fair Value measurement

The Group measures financial instrument e.g. investments, at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Group.

CONSOLIDATED NOTES ON FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2019

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

5. Standards Issued but not Effective:

On March 30, 2019, the Ministry of Corporate Affairs (MCA) has notified Ind AS 116 – Leases and certain amendment to existing Ind AS. These amendments shall be applicable to the Group from April 01, 2019.

A. ISSUE OF IND AS 116 - LEASES

Ind AS 116 will replace the existing leasing standard i.e. Ind AS 17 and related interpretations. Ind AS 116 introduces a single lessee accounting model and requires lessee to recognize assets and liabilities for all leases with non-cancellable period of more than twelve months except for low value assets. Ind AS 116 substantially carries forward the lessor accounting requirement in Ind AS 17.

B. AMENDMENT TO EXISTING STANDARD

The MCA has also carried out amendments of the following accounting standards:

- i. Ind AS 101- First time adoption of Indian Accounting Standards
- ii. Ind AS 103 – Business Combinations
- iii. Ind AS 109 - Financial Instruments
- iv. Ind AS 111 – Joint Arrangements
- v. Ind AS 12 – Income Taxes
- vi. Ind AS 19 – Employee Benefits
- vii. Ind AS 23 – Borrowing Costs
- viii. Ind AS 28 - Investment in Associates and Joint Ventures

Application of above standards are not expected to have any significant impact on the consolidated financial statements.

*In respect of Investment in equity shares of EWDL having carrying value of ₹ 5,792.70 Lakhs and in CCD's of TWDPL having carrying value of ₹ 10,000 Lakhs the financial information on the assets and liabilities position of these companies for determining the fair value for the current period is not available, same has been carried at cost.

During the year, groups sold equity investments recognised at fair value through other comprehensive income having fair value of ₹ 7,904.87 Lakhs (P.Y. ₹ 2,736.25 Lakhs) on the respective date of sale to maximise the returns.

Fair valuation techniques:

The Group maintains procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values

Fair value of the Equity Shares are based on price quoted on stock exchange.

Fair value of unquoted equity shares and CCD's is taken at intrinsic value.

Fair value of Long term Borrowings is calculated based on discounted cash flow.

Fair value of Financial Assets & Financial Liability(except Long term Borrowings) are carried at amortised cost and is not materially different from its carrying cost.

Fair Value hierarchy:

The following table provides the fair value measurement hierarchy of Company's asset and liabilities, grouped into Level 1 to Level 3 as described below:

Level 1: Quoted prices / published NAV (unadjusted) in active markets for identical assets or liabilities. It includes fair value of financial instruments traded in active markets and are based on quoted market prices at the balance sheet date.

Level 2: Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices). Fair value of the financial instruments that are not traded in an active market is determined by using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on The Group specific estimates. If all significant inputs required to fair value an instrument are observable then instrument is included in level 2

Level 3: Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs). If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

37. Financial risk Management:

The Group's activities expose it to credit risk, liquidity risk and market risk. This note explains the sources of risks which the entity is exposed to and how it mitigates that risk.

- **Market risk:**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings and investments in securities.

- **Foreign currency risk**

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates.

The group is exposed to foreign exchange risk through purchases of goods or services from overseas supplier in foreign currency. The group generally transacts in US dollar. The foreign exchange rate exposure is balanced by purchasing of goods or services in the respective currency.

The group is exposed to insignificant foreign exchange risk as at the respective reporting dates.

- **Interest rate risk**

Fluctuation in fair value or future cash flows of a financial instrument because of changes in market interest rates gives rise to interest rate risk. Almost 100% of the company's borrowings are linked to BR + 1.75% p.a. floating at Monthly rest including TP. With all other variables held constant, the following table demonstrates the impact of change in interest rate on borrowing cost on floating rate portion of loans.

Increase/ (decrease) in Interest cost of Long term borrowings for the year:

Change in Rate of Interest	Effect on Profit/(Loss) before tax	
	2018-19	2017-18
+1%/-1%	3,694.63	3,412.79

(` in Lakhs)

- **Commodity and Other price risk**

The group is not exposed to the commodity and other price risk.

- **Credit Risk**

Credit risk is the risk of financial loss to The Group that a customer or counter party to a financial instrument fails to meet its obligations. The Group is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks, mutual funds, financial institutions and other financial instruments.

Trade and other receivables:

The group extends credit to customers in normal course of business. The group considers factors such as credit track record in the market and past dealings for extension of credit to customers. To manage credit risk, the group periodically assesses the financial reliability of the customer, taking into account the financial condition, current economic trends, and analysis of historical bad debts and aging of accounts receivables. Outstanding customer receivables are regularly monitored to make an assessment of recoverability. Receivables are provided as doubtful / written off, when there is no reasonable expectation of recovery. Where receivables have been provided / written off, the group continues regular followup , engage with the customers, legal options / any other remedies available with the objective of recovering these outstandings.

The group is not exposed to concentration of credit risk to any one single customer since services are provided to vast specturm and hence, the concentration of risk with respect to trade receivables is low. The Group also takes security deposits, advances , post dated cheques etc from its customers, which mitigate the credit risk to an extent."

Cash and cash equivalent and other investments

The Group is exposed to counter party risk relating to medium term deposits with banks and investment in mutual funds.

The Group considers factors such as track record, size of the institution, market reputation and service standards to select the banks with which balances and deposits are maintained. Generally, the balances are maintained with the institutions with which The Group has also availed borrowings. The Group does not maintain significant cash and deposit balances other than those required for its day to day operations.

Exposure to credit risk

The gross carrying amount of financial assets, net of impairment losses recognised represents the maximum credit exposure. The maximum exposure to credit risk as at 31st March 2019 and 31st March 2018 is as follows:

- Liquidity risk**

Liquidity risk is the risk that the group may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

The Group objective is to at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Group relies on a mix of borrowings, capital infusion and excess operating cash flows to meet its needs for funds. The current borrowings are sufficient to meet its short to medium term expansion needs. Management monitors The Group's net liquidity position through rolling forecasts on the basis of expected cash flows.

The Group is required to maintain ratios (such as debt service coverage ratio and secured coverage ratio) as mentioned in the loan agreements at specified levels and also cash deposits with banks to mitigate the risk of default in repayments. In the event of any failure to meet these covenants, these loans become callable to the extent of failure at the option of lenders, except where exemption is provided by lender.

B. Measurement of fair values

i. Equity-settled share-based payment arrangements

The fair value of the employee share options has been measured using the Black-Scholes formula. Service and non-market performance conditions attached to the arrangements were not taken into account in measuring fair value.

The requirement that the employee has to save in order to purchase shares under the share purchase plan has been incorporated into the fair value at grant date by applying a discount to the valuation obtained. The discount has been determined by estimating the probability that the employee will stop saving based on historical behavior.

CONSOLIDATED NOTES ON FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2019

59. Goodwill Impairment

Goodwill is tested for impairment on annual basis and whenever there is an indication that the recoverable amount of a cash generating unit (CGU) is less than its carrying amount based on a number of factors including business plan, operating results, future cash flows and economic conditions. The recoverable amount of cash generating units is determined based on higher of value in use and fair value less cost to sell. For the purpose of impairment testing, goodwill is allocated to a CGU representing the lowest level within the Group at which Goodwill is monitored for internal management purposes, and which is not higher than the Group's operating segment.

Goodwill is allocated to the following CGU for impairment testing purpose.

(` in Lakhs)

Particulars	As at 31 st March, 2019	As at 31 st March, 2018
Goodwill relating to Property & Related Services	42,025.63	42,025.63
Goodwill relating to Hospitality Services	257.16	257.16
Total	42,282.79	42,282.79

The Group uses discounted cash flow based methods to determine the recoverable amount. These discounted cash flow calculations use five year projections that are based on financial forecasts. Cash flow projections take into account past experience and represent management's best estimate about future developments.

Management estimates discount rates using pre-tax rates that reflect current market assessments of the risks specific to the CGU, taking into considerations the time value of money and individual risks of the underlying assets that have not been incorporated in the cash flow estimates. The discount rate calculation is based on the specific circumstances of the Company and its operating segments and is derived from its weighted average cost of capital (WACC).

- 60.** In respect of Pallazzio Hotels & Leisure Ltd., a subsidiary, pursuant to the consent provided by the holders of zero coupon non-convertible fully redeemable non-transferable debentures series F (in aggregate holding NCD of ` 4,600 Lakhs) & approved by the Board of Directors of subsidiary vide resolution dated 30th March 2019, the Non-Convertible debentures aggregating to ` 4,600 Lakhs have been converted into 0.0001% Optionally Convertible Debentures Series - J (OCD-series J) aggregating to ` 4,600 Lakhs and as a result of this all the securities attached to the said Non-Convertible Debentures have been released. Consequent to the said change in terms, the provision for premium on redemption of the said non-convertible debentures of ` 4,809.89 Lakhs made in the earlier years has been written-back since it is no longer payable and has been disclosed as an exceptional item in the Statement of Profit & Loss. Further, provision for premium on redemption of non-convertible debentures aggregating to ` 812.84 Lakhs debited to finance cost and fair value adjustments aggregating to ` 164.46 Lakhs made to revenue from operations and finance cost for the period April 2018 to December 2018 have been reversed

61. Impact of new pronouncements as applicable from 01.04.2018

- A) IND-AS 115- Revenue from contracts with customers.

The Ministry of Corporate Affairs vide notification dated 28th March 2018 has made Ind AS 115 "Revenue from Contracts with Customers" mandatory w.e.f. 1st April 2018. Palladium Constructions Private Limited, a subsidiary company, has aligned its policy of revenue recognition with Ind AS 115 "Revenue from Contracts with Customers" which is effective from 1st April, 2018. Accordingly, revenue in realty business is recognised on completion of contracts as against recognition based on percentage completion method followed hitherto in accordance with the Guidance note issued by ICAI. The company has followed modified retrospective approach to the contracts that were not completed as at 1st April, 2018 and cumulative effect of initial application has been adjusted in opening retained earnings as permitted by the standard. The transitional adjustment of ` 11,323.26 Lakhs (net of deferred tax) has been adjusted against the opening retained earnings. For year ended 31st March, 2019, Income from Sale of property as per note no. 28 is higher by ` 9,703.99 lakhs, Cost of Sales as per note no. 30 is higher by ` 4,083.24 lakhs,

Profit after tax is higher by ` 5,620.75 lakhs. These changes are due to recognition of revenue based on satisfaction of performance obligation (at a point in time), as opposed to the previously permitted percentage of completion method. Accordingly, the comparatives have not been restated for the full year ended March 31, 2018 and hence not comparable.

B) IND-AS 21 The effect of change in foreign exchange rates.

The Ministry of Corporate Affairs vide notification dated 28th March 2018 has made Ind AS 21 "The effect of change in foreign exchange rates" mandatory w.e.f 1st April 2018. In respect of Pallazzio Hotels & Leisure Private Limited, a subsidiary company has given a retrospective effect of this amendment as per transitional provisional as per IND-AS 21. The retrospective effect is given in respect of the non-monetary liability with respect to key money received from hotel operator which is valued at the exchange rate on the date of receipt of advance. Hence, opening Retained Earnings increased by ` 20.39 Lakhs. Due to the application IND AS As 21 a result of retrospective effect of IND-AS 21, Income from revenue from operation as per note no 28 is lower by ` 6.91 Lakhs, Other Expenses as per note no 34 is higher by ` 383.20 Lakhs, Profit after tax is higher by ` 376.29 Lakhs

C) The basic and diluted EPS for the year ended 31st, March 2019 due to change in (A) and (B) is ` 27.48 per share and ` 27.40 per share respectively instead of ` 24.38 per share and ` 24.31 per share respectively.

62. Based on the pronouncements/clarifications by the professional bodies/institutions and general accounting practice followed by Industry, the Company has during the year reclassified the following items of financial statements:

Items of financial statements reclassified	Amount as at 31st March, 2018 ` In Lakhs	Earlier classified as	Reclassified as
MAT Credit entitlement	776.95	Current Tax Assets (Net)	Deferred Tax Assets

NOTES

1. The Explanatory Statement pursuant to Section 102(1) of the Companies Act, 2013 (“the Act”) with respect to the Special Businesses as set out in the Notice is annexed hereto and forms part of this Notice.

Messrs DTS & Associates, Chartered Accountants, were appointed as Statutory Auditors of the Company at the 112th Annual General Meeting held on September 25, 2017. Pursuant to Notification issued by the Ministry of Corporate Affairs on May 07, 2018 amending Section 139 of the Act and the Rules framed thereunder, the mandatory requirement for ratification of appointment of Auditors by the Members at every Annual General Meeting (“AGM”) has been omitted, and hence the Company is not proposing an item on ratification of appointment of Auditors at this AGM.

2. As per Regulation 36(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard on General Meetings, information regarding appointment/re-appointment of Directors (Item no. 5 to 8) is annexed hereto.

3. **A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT A PROXY/ PROXIES TO ATTEND AND VOTE INSTEAD OF HIMSELF/HERSELF AND SUCH PROXY/PROXIES NEED NOT BE A MEMBER OF THE COMPANY.**

4. A person can act as a Proxy on behalf of Members not exceeding fifty and holding in the aggregate not more than ten percent of the total share capital of the Company carrying voting rights. A Member holding more than ten percent of the total share capital of the Company carrying voting rights may appoint a single person as a Proxy and such person shall not act as a Proxy for any other Member. Proxies submitted on behalf of limited companies, societies, etc., must be supported by an appropriate resolution/authority as applicable. The Proxy-holder shall prove his identity at the time of attending the Meeting.

5. The instrument appointing a Proxy must be deposited, either in person or through post, with the Company at its Registered Office not less than 48 hours before the time for holding the Meeting. Corporate members intending to send their authorized representative(s) to attend the Meeting are requested to send to the Company a certified true copy of the relevant Board Resolution together with the specimen signature(s) of the representative(s) authorised under the said Board Resolution to attend and vote on their behalf at the Meeting.

6. Attendance slip, Proxy form and route map of the venue of the meeting are annexed hereto.

7. In case of joint holders attending the meeting, any such joint holder who is higher in the order of names will be entitled to vote.

8. The Company’s Registrar and Share Transfer Agent for its Share Registry Work (Physical and Electronic) is Link Intime India Private Limited (‘Link Intime’) having their office premises situated at C 101, 1st Floor, 247 Park, L B S Marg, Vikhroli West, Mumbai - 400 083.

9. The Register of Members and Share Transfer Books of the Company will remain closed from Thursday, September 19, 2019 to Tuesday, September 24, 2019 (both days inclusive) for the annual closing and for the purpose of determining the entitlement for payment of dividend.

10. Dividend for the Financial Year ended March 31, 2019 as recommended by the Board of Directors, if declared at the Annual General Meeting, shall be paid after September 24, 2019 to those Shareholders :

- a) whose names appear as Beneficial Owners as at the end of the business hours on Wednesday, September 18, 2019 in the list of Beneficial Owners to be furnished by National Securities Depository Limited and Central Depository Services (India) Limited in respect of the shares held in electronic form; and

lodged with the Company/its Registrar & Share Transfer Agent on or before Wednesday, September 18, 2019.

NOTICE

11. Under the Act, dividends that are unclaimed/unpaid for a period of seven years are required to be transferred to the Investor Education and Protection Fund (IEPF) administered by the Central Government. An amount of ₹ 21,06,163 being unclaimed/unpaid dividend of the Company for the financial year ended March 31, 2011 was transferred in November, 2018 to IEPF. Last date for claiming unclaimed and unpaid dividends declared by the Company for the financial year 2011-12 and thereafter is as under :

Financial Year ended	Date of Declaration of Dividend	Last date for claiming the dividend from the Company prior to transfer to IEPF
2011-12	August 21 , 2012	September 27, 2019
2012-13	August 21, 2013	September 27, 2020
2013-14	August 26, 2014	October 2, 2021
2014-15	September 9, 2015	October 15, 2022
2015-16 Interim Dividend	March 19, 2016	April 25, 2023
2015-16 Final Dividend	September 8, 2016	October 14, 2023
2016-17	September 25, 2017	October 31, 2024
2017-18	September 18, 2018	October 24 , 2025

Members who have not encashed the dividend warrants so far in respect of the aforesaid periods, are requested to make their claim to Link Intime well in advance of the above due dates. Pursuant to the provisions of Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules"), the Company has uploaded the details of unpaid and unclaimed amounts lying with the Company as on September 18, 2018, (date of last Annual General Meeting) on the website of the Company at www.thephoenixmills.com.

Further, pursuant to the provisions of Section 124 of the Act read with IEPF Rules, all shares on which dividend has not been paid or claimed for seven consecutive years or more shall be transferred to IEPF Authority as notified by the Ministry of Corporate Affairs. Accordingly, during the FY 2018-19, the Company has transferred 19,194 Equity Shares to the IEPF. The shareholders whose equity shares have been transferred to the IEPF can request the Company or Link Intime as per the prescribed provisions to claim their shares out of IEPF.

In accordance with the aforesaid IEPF Rules, the Company has sent notice to all the Shareholders whose shares are due for transfer to the IEPF Authority and has also published notice in newspapers. The Shareholders whose dividend/shares is/will be transferred to the IEPF Authority can claim the same from the IEPF Authority by following the procedure as detailed on the website of IEPF Authority www.iepf.gov.in/IEPF/refund.html.

12. Members can avail of the facility of nomination in respect of shares held by them in physical form pursuant to the provisions of Section 72 of the Act. Members desiring to avail of this facility may send their nomination in the prescribed Form No. SH-13 duly filled in to Link Intime at the above mentioned address. Members holding shares in electronic form may contact their respective Depository Participants for availing this facility.
13. The Securities and Exchange Board of India (SEBI) has made it mandatory for all companies to use the bank account details furnished by the Depositories and the bank account details maintained by the Registrar and Transfer Agents for payment of dividend to Members electronically. The Company has extended the facility of electronic credit of dividend directly to the respective bank accounts of the Member(s) through the Electronic Clearing Service (ECS)/National Electronic Clearing Service (NECS)/Real Time Gross Settlement (RTGS)/Direct Credit, etc.

As directed by SEBI, the Members holding shares in physical form are requested to submit particulars of their bank account alongwith the original cancelled cheque bearing the name of the Member to Link Intime/ Company to update their Bank Account details.

Members holding shares in demat form are requested to update their Bank Account details with their respective Depository Participant. The Company or Link Intime cannot act on any request received directly from the Members holding shares in demat form for any change of bank particulars. Such changes are to be intimated only to the Depository Participants of the Members. Further, instructions, if any, already given by them in respect of shares held in physical form will not be automatically applicable to shares held in the electronic mode.

14. SEBI has vide its Notifications dated June 08, 2018 and November 30, 2018 mandated that securities of listed companies can be transferred only in dematerialised form from April 1, 2019. In view of the above and to avail various benefits of dematerialisation, Members are advised to dematerialise the shares held by them in physical form.
15. Pursuant to Sections 101 and 136 of the Act read with the Rules framed thereunder, the Notice calling the Annual General Meeting along with the Annual Report 2018-19 would be sent by electronic mode to those Members whose e-mail addresses are registered with the Depository or the Company/Link Intime, unless the Members have requested for a physical copy of the same. For Members who have not registered their e-mail addresses, physical copies would be sent by the permitted mode.

Members may note that the Annual Report 2018-19 along with Notice of the Meeting, Attendance Slip and Proxy Form are available on the website of the Company.

16. As a measure towards Green Initiative, the Company encourages its Members to receive documents like Notices of Meetings / Postal Ballot, Annual Reports, and other shareholder communications electronically at their email address. Members are requested to support the Green Initiative by registering/updating their e-mail addresses with the Depository Participant (in case of Shares held in dematerialised form) or with Link Intime (in case of Shares held in physical form).
17. Members are requested to:
 - a. inform of changes, if any, in their registered address at the earliest to the Company or Link Intime, for shares held in physical form, or to their concerned DP for shares held in electronic form.
 - b. quote ledger folio numbers/DP ID and Client ID numbers in all correspondence.
 - c. consolidate their holdings into one folio in case they hold Shares under multiple folios in the identical order of names
 - d. register their Permanent Account Number (PAN) with their Depository Participants, in case of Shares held in dematerialised form and Link Intime/ Company, in case of Shares held in physical form, as directed by SEBI

ITEM NOS. 6, 7 AND 8

Mr. Amit Dabriwala (DIN: 00164763), Mr. Amit Dalal (DIN: 00297603) and Mr. Sivaramakrishnan Iyer (DIN: 00503487) were appointed as Non-Executive Independent Directors of the Company pursuant to the provisions of Section 149 of the Companies Act, 2013 ("Act") read with the Companies (Appointment and Qualification of Directors) Rules, 2014 for a term of five consecutive years commencing from April 1, 2014 to March 31, 2019 by the Members of the Company at its Annual General Meeting held on August 26, 2014 ("first term").

Accordingly, pursuant to the provisions of Section 149 of the Companies Act, 2013 and rules made thereunder the first term of Mr. Amit Dabriwala, Mr. Amit Dalal and Mr. Sivaramakrishnan Iyer as Independent Directors of the Company concluded on March 31, 2019.

Section 149 of the Act and provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") inter alia prescribe that an Independent Director of a company shall meet the criteria of independence as provided in Section 149(6) of the Act. Section 149(10) of the Act provides that an independent director shall hold office for a term of up to five consecutive years on the Board and shall be eligible for re-appointment on passing a special resolution by the company and disclosure of such appointment in its Board's report. Further, Section 149(11) of the Act provides that an independent director may hold office for up to two consecutive terms.

The Board of Directors of the Company, based on the recommendation of the Nomination and Remuneration Committee of the Board and basis the results of the performance evaluation carried out by the said Committee and the Board, at their meeting held on March 29, 2019, re-appointed Mr. Amit Dabriwala, Mr. Amit Dalal and Mr. Sivaramakrishnan Iyer as Additional Non-Executive Independent Directors, not liable to retire by rotation, for a second term of five consecutive years on the Board of the Company commencing from April 1, 2019 to March 31, 2024, subject to the approval of the Members by way of passing special resolution.

The performance evaluation of Independent Directors were based on various criteria, inter-alia, including attendance at Board and Committee Meetings of the Board, skill, experience, ability to challenge views of others in a constructive manner, knowledge acquired with regard to the Company's business, understanding of industry and global trends, etc.

Copies of the draft Letter of Appointment setting out the terms and conditions of the appointment of Mr. Amit Dabriwala, Mr. Amit Dalal and Mr. Sivaramakrishnan Iyer as Independent Directors and all the relevant documents referred to in this Notice and Explanatory Statement, are available for inspection in physical or electronic form at the Registered office of the Company between 10.00 a.m. to 12.00 noon, on all working days (except Saturdays, Sundays and Public Holidays), up to the date of the Annual General Meeting (AGM) and copies thereof shall also be made available for inspection in physical or electronic form at the Corporate Office of the Company situated at 2nd Floor, R.R. Hosiery Building, Shree Laxmi Woollen Mills Compound, Opp. Shakti Mills, Off Dr. E. Moses Road, Mahalaxmi, Mumbai - 400 011 as well as during the AGM at the venue thereof.

As per Section 161(1) of the Act and Articles of Association of the Company, Mr. Amit Dabriwala, Mr. Amit Dalal and Mr. Sivaramakrishnan Iyer, being Additional Directors, hold office upto the forthcoming Annual General Meeting of the Company and are eligible to be re-appointed as Directors of the Company.

Mr. Amit Dabriwala, Mr. Amit Dalal and Mr. Sivaramakrishnan Iyer have consented to act as Non-Executive Independent Directors and are not disqualified from being appointed as Directors in terms of Section 164 of the Act. The Company has also received notices in writing from Member(s) of the Company under Section 160 of the Act proposing the candidature of Mr. Amit Dabriwala, Mr. Amit Dalal and Mr. Sivaramakrishnan Iyer for the office of Director of the Company. The Company has also received declarations from Mr. Amit Dabriwala (DIN: 00164763), Mr. Amit Dalal

NOTICE

(DIN: 00297603) and Mr. Sivaramakrishnan Iyer (DIN: 00503487) stating that they meet the criteria of independence as prescribed under sub Section (6) of Section 149 of the Companies Act, 2013 and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

In the opinion of the Board, Mr. Amit Dabriwala, Mr. Amit Dalal and Mr. Sivaramakrishnan Iyer fulfil the conditions for re-appointment as Independent Directors as specified in the Act and Listing Regulations and are independent of the management and the Board considers that the proposed re-appointment of Mr. Amit Dabriwala, Mr. Amit Dalal and Mr. Sivaramakrishnan Iyer as Independent Directors, considering their skills, experience & knowledge in diverse areas, and also given their background and experience and their continued association will be of immense value and benefit and in the best interest of the Company.

Further details relating to Mr. Amit Dabriwala, Mr. Amit Dalal and Mr. Sivaramakrishnan Iyer including their qualifications, other Directorships, membership of Committees of other Boards are given in Annexure forming part of this Explanatory Statement of the Notice. This explanatory statement together with the accompanying Notice and annexure thereto may also be regarded as a disclosure under Regulation 36(3) of the Listing Regulations and Secretarial Standard-2 on General Meetings issued by the Institute of Company Secretaries of India.

Save and except Mr. Amit Dabriwala, Mr. Amit Dalal and Mr. Sivaramakrishnan Iyer, and their relatives to the extent of their shareholding interest, if any, in the Company, none of the other Directors, Key Managerial Personnel (KMP) of the Company and their relatives are in any way, concerned or interested, financially or otherwise, in the Resolution set out at Item Nos. 6, 7 and 8 of the Notice.

The Board recommends Special Resolutions for appointment of Mr. Amit Dabriwala, Mr. Amit Dalal and Mr. Sivaramakrishnan Iyer as Non-Executive Independent Directors of the Company for a second term of five consecutive years commencing from April 1, 2019 to March 31, 2024, as set out at Item nos. 6, 7 and 8 of the Notice for approval of Members.
