FY24 Performance Highlights

- Glass container capacity utilization consistently surpassed 95% throughout the year, highlighting our commitment to operational excellence and efficient production optimization. However, the scheduled planned shutdown for furnace relining led to reduced production, resulting in lower sales.
- Substantial investments were made in digitalization and automation to further optimize our operational efficiency
- We expanded our international presence through exhibitions in the UAE, USA, and Europe, boosting our visibility and facilitating networking with potential clients and partners
- Diageo India recognized AGI Greenpac's commitment to excellence by awarding us the prestigious Supplier of the Year award for the second consecutive year
- AGI Glaspac Awarded "Great Place to Work" by the Great Place to Work Institute, India for 3rd time in a row
- Awarded Best CSR Impact Award by SMX at CSR Leadership Summit & Awards 2023
- Honored with the Best CSR Award in the Livelihoods category at the CSR Summit 2024
- Bhongir Plant was awarded "Energy Efficient Unit" by CII at 24th National Awards for Excellence in Energy Management 2023
- CII presented AGI Glaspac with the Total Cost Management Award in the Manufacturing Champion category at the 22nd edition of CII Cost Congress

Commenting on the results, Mr. Sandip Somany, Chairman and Managing Director of AGI Greenpac Limited

Our performance in FY24 highlights sustained growth and profitability, which speaks to our strategic focus on key drivers such as operational efficiencies, a superior product mix, emphasis on high-value-added products, increased investment in digitalization and automation, and unwavering customer loyalty.

He further added, "Our commitment to excellence, innovation, and sustainability drives our strategic growth, positioning us to maintain our momentum

*The company has opted to exercise the lower tax rate option under section 115BAA of the Income Tax Act. As a result, the income tax and deferred tax balances were recorded / re-measured based on the new tax rate during FY23. Consequently, the Tax Expenses and Profit after Tax between FY24 and FY23 are not comparable and the tax expenses are higher in FY24 (₹88.6 crore) compared to FY23 (₹55.4 crore)
