AGI- CODE OF CONDUCT TO REGULATE, MONITOR AND REPORT TRADING BY DESIGNATED PERSONS AND THEIR IMMEDIATE RELATIVES

[Pursuant to Regulation 9(1) of the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015]

Introduction

The Securities and Exchange Board of India (“SEBI”), in its endeavour to protect the interests of investors in general, has formulated the SEBI (Prohibition of Insider Trading) Regulations, 2015 (“**PIT Regulations**”) under the powers conferred on it under the SEBI Act, 1992 (the “**Act**”). The PIT Regulations have come into force from 15th May, 2015 and have further been amended, from time to time. The PIT Regulations are applicable to all companies whose securities are listed or are proposed to be listed on Indian stock exchanges. Pursuant to Regulation 9(1) of the PIT Regulations, the Company is required to formulate a code of conduct to regulate, monitor and reporting of trading by Designated Persons (“**Code**”).

Objective of the Code

Trading in the securities of a listed company by any person, based on Unpublished Price Sensitive Information (“**UPSI**”) relating to such a company is prohibited by SEBI, as it erodes investors’ confidence in the integrity of the management of a company and is unhealthy for the capital markets. All UPSI, which is entrusted with any person, from time to time, remains the property of the Company. Further, persons who are in possession of UPSI are not permitted to disclose such information, except in furtherance of legitimate purposes, on a need to know basis, or tip others by way of a recommendation for sale, purchase, retention of securities of a company when in possession of such unpublished price sensitive information

The Code aims to ensure monitoring and timely reporting of trades by the Designated Persons and adequate disclosure of price sensitive information by the Company. This Code is to be followed by the Designated Persons and by all persons who may be privy to the UPSI. The Code aims at transparency and fairness in dealing with the stakeholders and ensuring compliance with the relevant applicable laws and regulations. The Code is intended to serve as a guiding charter for all concerned persons associated with the functioning of the Company and their Trading in Securities.

Do note that Insider trading is a crime which is punishable under the Act. Instances of insider trading are heavily penalized by SEBI, and such penalties are usually not proportionate to the profits or gains made by the offender i.e. although the profit made by an offender may be negligible, the penalty imposed by SEBI may be very high and disproportionate to the profit earned.
